

This stewardship of God's people has given a graciousness and manifestation of love that none have been able to gainsay. This report should surely stop here lest I be tempted to extend the record into a book. Perhaps this should be done. But current history and man's outreach into space is moving so rapidly, and with a cataclysm facing mankind, it may be doubted that the developments of this period will ever be recorded for a generation that will have no time to consider them.

The 20th Century Reformation Hour has been a gift of God, and it truly believes God's promises: For one can "chase a thousand, and two put ten thousand to flight." There is no restraint to His power and young David put it concisely when he said, "By thee I have run through a troop; and by my God have I leaped over a wall." In this great battle there can be no compromise and never a thought of surrender. For "God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work." This broadcast has actually put the word **victory** back in circulation. Thanks be to God who giveth us the victory through our Lord Jesus Christ.

Faith Theological Seminary, Elkins Park, Pa., which mortgaged its property to buy Radio Station WXUR in order that the 20th Century Reformation Hour and other fundamentalist and conservative programs might be heard in the Philadelphia area. The station was killed by the FCC and there is no outlet for these programs in this area today.

Radio Free America

Radio Free America, the good ship "Columbus," symbolizes the current struggle for the free exercise of religion, free speech, and a free press in the United States of America. The ship, carrying a 10,000-watt radio transmitter, is stationed in international waters off the coast of the USA near Cape May, N. J. A historic "Manifesto of Freedom" was read on deck during its dedication, Labor Day, September 3, 1973. The ship is being supplied from the Christian Admiral, Cape May Bible Conference and Freedom Center. Christians are asked to pray for this Gospel ship that it may be used for Revival '76 and to deliver the radio and television stations of the nation from government repression and control. The ship has the backing of the 20th Century Reformation Hour, 756 Haddon Ave., Collingswood, N. J., and all gifts for its support may be marked Radio Free America. It may be heard on the AM band at 1160 kc.
