

February 11, 1988: "Constitutional Freedoms Seminar," Eastside Baptist Church, Marietta, Georgia, 12:30-3:00 (lunch included). Speakers: Constitutional attorney and author John Eidsmoe, Bill Holberg, and Gary DeMar. How involved can a church get in the '88 elections without jeopardizing its tax-exempt status? We hope to produce a series of tapes and a short syllabus to make available to squeamish churches that don't want to get involved. Call American Vision for more details.

February 27, 1988: "Restoring America: Presidential Forum," Westin Galleria Hotel, Grand Ballroom, 5060 W. Alabama, Houston, Texas. Speakers: Gary DeMar, Senator Phil Gramm, Dr. Steven Hotze, Dr. Jimmy Morgan, and the Presidential Candidates. As of this writing, a good number of the presidential candidates will be present to be given an opportunity to express their views to a crowd of about 2,000. The cost is \$20.00 for those who register before February 14, 1988. Call 713-695-0348 for more details.

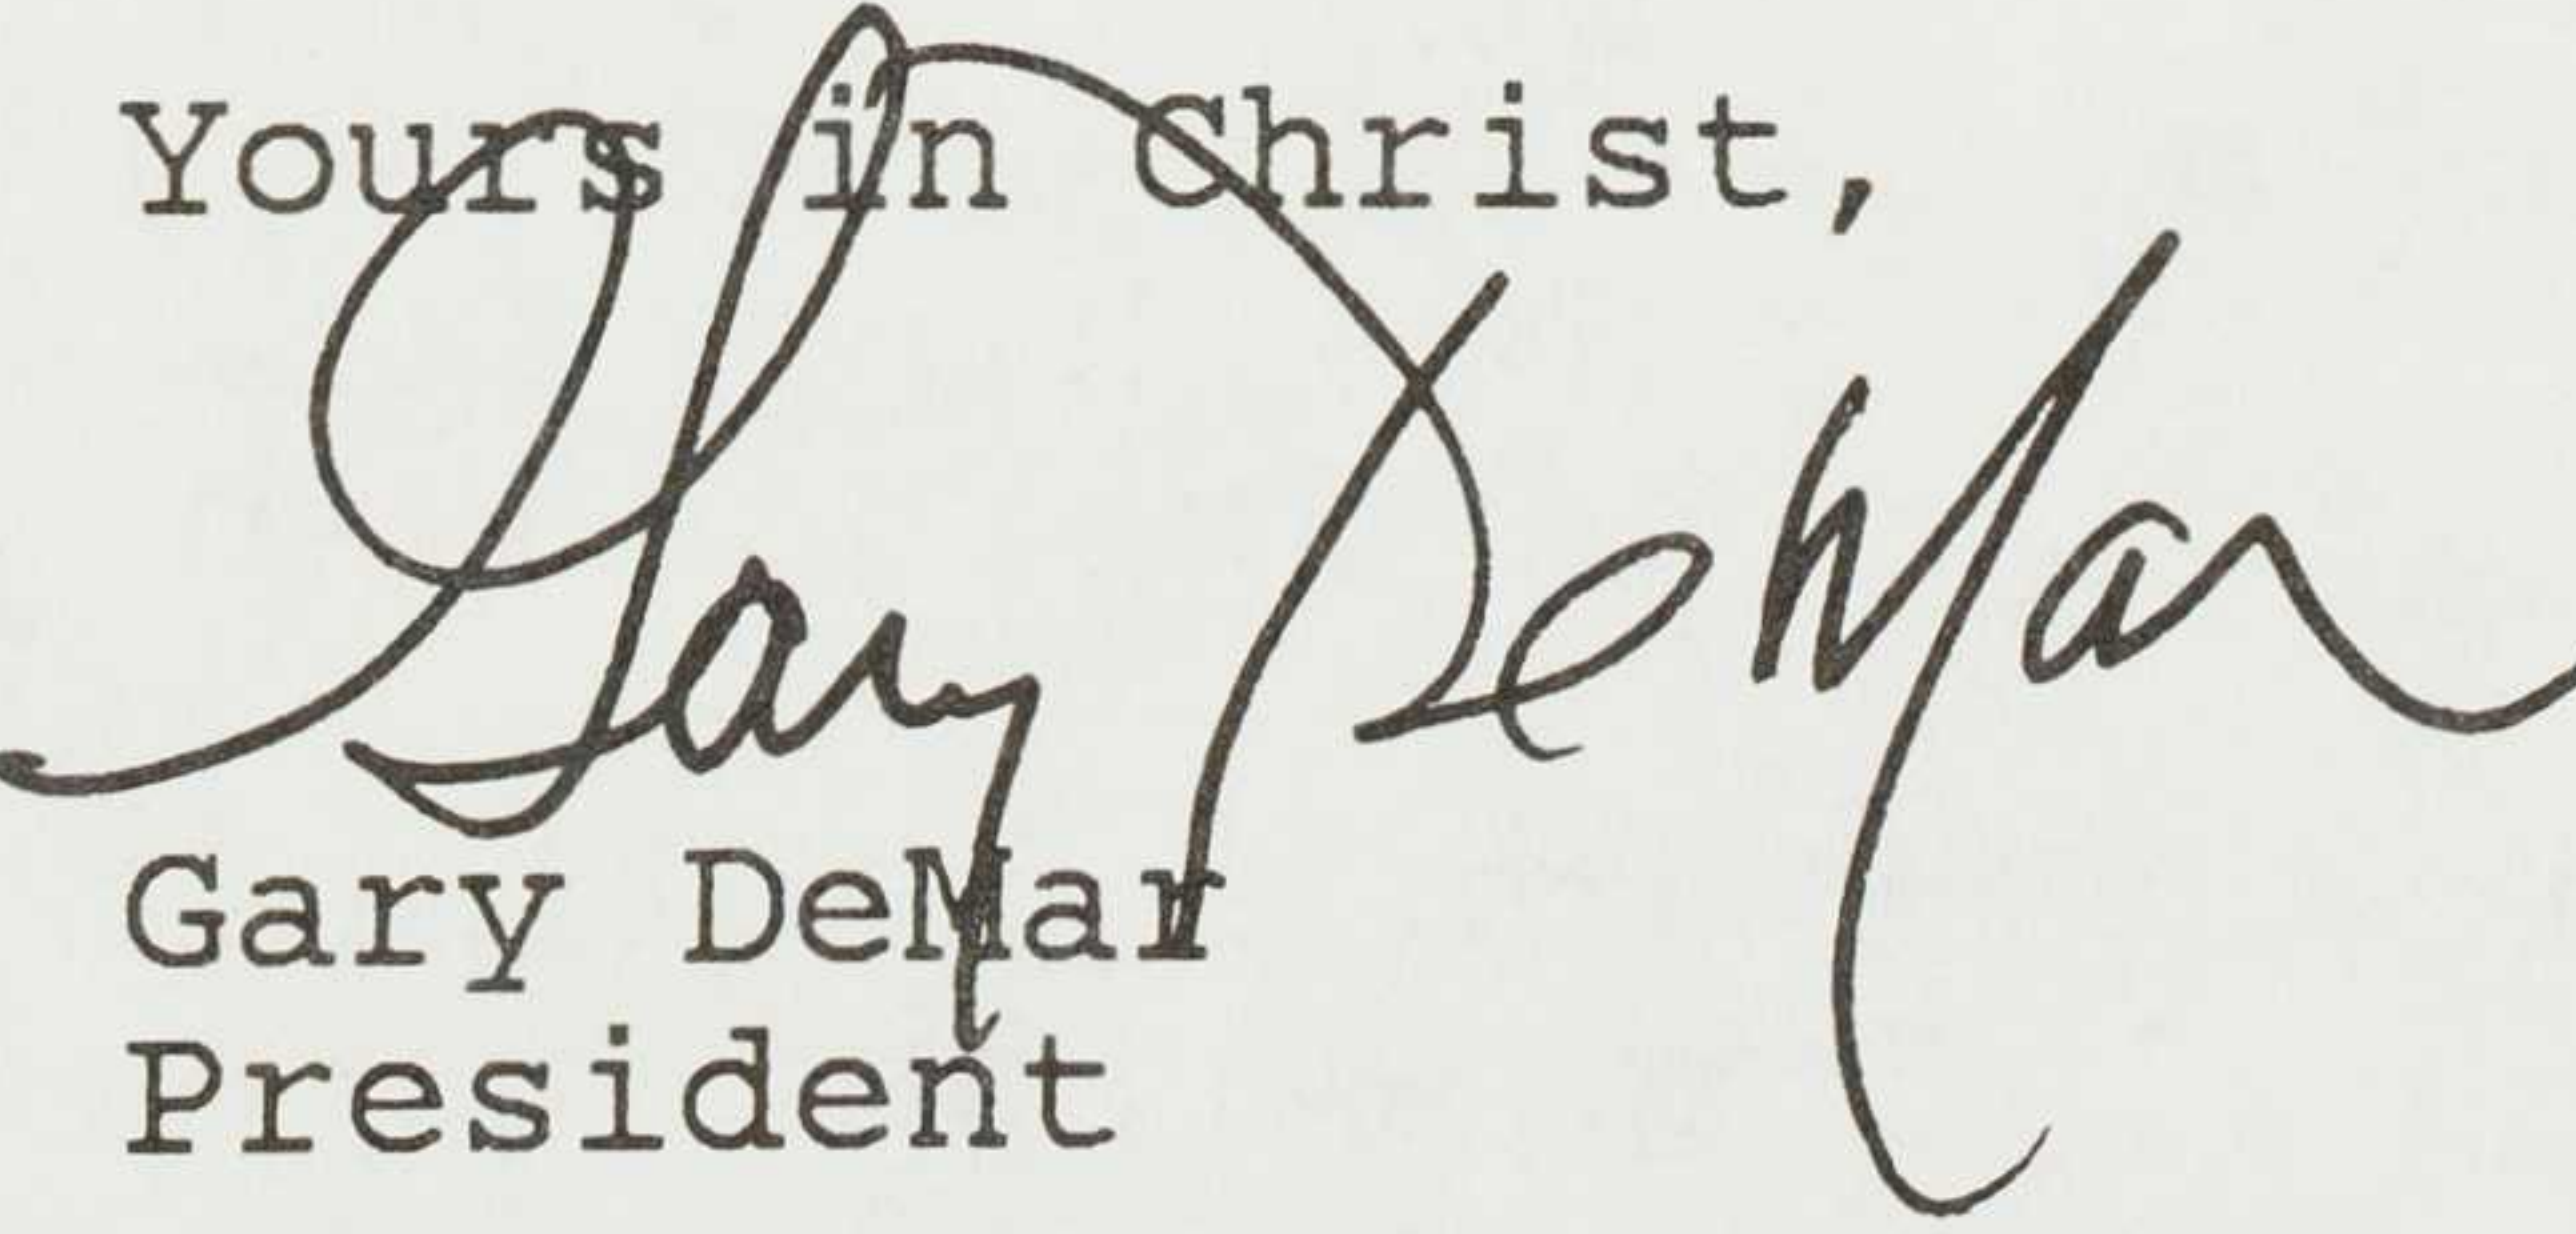

March 18-19, 1988: The Third Midwest Annual Christian Reconstruction Conference, "Our American Republic: One Nation Under God," Arlington Heights, Illinois. Speakers: Gary DeMar, Herb Titus, and Russ Walton. Call Tom Parent at 312-259-8736 for details.

Many of you are new to American Vision's mailing list policy. This is a good time to make you aware of how our policy works. There is no charge for the monthly newsletter. We only ask that you make a donation to American Vision's work or purchase any of our product any time during the year. If you are unable to either of these, then all you have to do is ask to be kept on. If we do not hear from you during a twelve month period, then you will be dropped from the list. It costs us approximately \$15.00 per year to keep each name on the list.

In the next two years American Vision will have to expand its facilities. At the present, we are leasing space that we have outgrown. We're considering building a complex just north of Atlanta if we can find some reasonably priced land. We would like you to pray for us as we consider this most important decision. As always, we will not do anything unless we have the financial means to do so.

Please consider American Vision in your '88 giving. This is a most important year. The humanist organizations are gearing up for an all out war with Christians.

Yours in Christ,

Gary DeMar
President
