

COUPON EXPIRES ONE YEAR

PFIZER

This coupon symbolizes the coupon holder's right to purchase products from the Pfizer company.

I, the coupon holder, willingly tear this coupon in half rendering it invalid to show I will not knowingly buy products from the Pfizer company for one year.

The Pfizer company was a leading sponsor of network TV's attack on the family and Christians for the monitoring period of October 28 to November 24, 1990.

Because the Pfizer company has shown they care more about profits than about the moral health of Americans I JOIN THE BOYCOTT OF PFIZER.
