1998 Whole Family Catalog

From the sanctity of life to religious freedom, this catalog contains 25 initiatives that FRC endorses to protect America's families. Also included are a bibliography of papers that provide background information on these issues and a list of FRC's policy analysts and government relations representatives who can provide additional information and analysis. \$2.50

The Moral Foundations for Strong National Defense

How is America doing as we approach the 21st century? Gary Bauer remarks on Ronald Reagan's "American Awakening" toward a strong national defense that is based on a strong moral standard. Published by the Heritage Foundation, this speech encourages Americans to continue the fight against moral decay. (April 24, 1998) \$2.00

In Honor of Reggie and Sara White

A cassette recording of the FRC luncheon honoring Reggie and Sara White and their stand against the homosexual agenda. You won't want to miss this powerful testimony from the American football hero and his family. \$5.00
