

had a job. This, according to Judge Matsch, made it a new offense. Under this reasoning I could be tried yet again because he wore glasses that were manufactured in New York.

Also, I denied that Matsch had jurisdiction to try me. Homicide is a state crime. I told him that under the constitution he could try me for treason, counterfeiting and crimes on federal property. He denied every motion or demand. I threatened to discuss the constitution with the jury. I was told that if I tried it I would watch the trial on TV or be gagged. Judge Matsch does not allow the constitution to be discussed in the travesty he calls a trial.

A co-defendant with me in the Berg trial was Richard Scutari. He is currently imprisoned at the Federals' worst prison in Marion, IL. He will confirm all that I tell you. The Feds told him at Seattle that unless he pled guilty, his wife would be charged and the state would get his daughter. So, he agreed to plead guilty and get 60 years. The agreement included an ironclad guarantee that the Feds would not prosecute him in any additional trials. Then, they reneged and prosecuted Mr. Scutari for the Berg homicide again in Denver. Scutari showed Judge Matsch the agreement and even had his lawyer from Seattle come to testify that the government was breaking its agreement.

But, Judge Matsch, this paragon of justice, honesty and fairness, according to your so-called defense lawyer, allowed the prosecutors to try Mr. Scutari anyway.

Lastly, a careful perusal of old issues of the Denver Post and the Rocky Mountain News will show that Judge Matsch for many years had the closest possible ties to Zionist organizations and ADL approved groups. Whether these ties are ethnic as well as for political expedience, you would be well advised to ascertain before you demand that Judge Matsch recuse himself. The record is clear, the judge assigned to your case is a life-long legal assassin or hatchet man for the system. By publicly proclaiming that this system hack and perverter of the constitution, to say nothing of being a murderer of the White race, is an exemplar of justice, your misnamed defense lawyer has exposed himself as a member of the team that intends to dispose of you. In my opinion, gained the hardest way possible, whatever little chance you have depends on taking your defense directly to the jury and exposing the evils which you have set out to destroy.

Best wishes from the gulags of the occupation government.
