A WITHERED HAND

"He saith unto the man, Stretch forth thine hand. And he stretched it out: and his hand was restored whole as the other." MARK 3:5

"Stand forth! Stretch out thy hand,
Thy withered hand,"
He sees thy awful need---
Thus His command;
Thy usefulness He will restore,
In withered parts His life will pour,
A truth surpassing tales of lore;
His Word now heed,
'Twill meet thy need;
"Stand forth! Stretch out thy hand,
Thy withered hand."

Stretched out---That withered hand,
That lifeless hand,
Has changed to normal form
By love's demand;
Through useless veins rich blood so red
Brings life anew to parts once dead,
And sees that every cell is fed;
You owned your need,
He healed indeed;
Stretched out...that withered hand...
A useful hand.

"Stand forth! Stretch out thy hand,
Thy withered hand,"
He notes thy useless part,
Heed His command;
Perhaps your hand is withered not,
Some other part's a useless lot,
To serve aright it long forgot,
His healing touch
Is needed, much,
"Stand forth! Stretch out thy hand,
Thy withered hand."
