One of our Tape re-producing machines has quit on us---gone on the fritz!
Motor burned out, etc. Hence we are trading it in of a brand new TELEX
RECORDER. It produced 3 tapes at once from a Master. Our sound will be
much better...we have been told. We do thank our friends in standing with
us with their giving to keep us going.

It is surprising the good reports we
have recieved from you---out there as
to the material we present from the
Word of God. Thank you.
