

Just in time for
WORLD FOOD DAY...

CATHOLIC RELIEF SERVICES

PRESENTS:

Voices for Development

20 min. video on the meaning of development and its strong foundation in Catholic Social Teaching. Comes with study guide and poster.

Africa's Food Crisis: Its Roots, Its Future

Booklet I contains a paper by Mutombo Mpanya and David Holdridge. Booklet II contains questions, stories, activities, maps, graphs, etc. for use with high school social studies classes.

Refugees: A Call to Com- passion and Solidarity

A five session, experientially oriented educational packet and video on refugee awareness for youth or adult parish groups prepared especially for use in Global Horizons programs.

The Big Picture

A brief introduction to international development. Explains six issues for the general reader using the lenses of local development and global analysis.

Flight to Hope

Curriculum on refugee awareness co-produced by the Catholic Consortium on Refugee Awareness Education for use in junior and senior high school classes.
