ORDER COPIES OF THIS LOW-COST BOOKLET FOR FAMILY AND FRIENDS

"Liberty cannot be preserved without
a general knowledge among the people."

John Adams, 1765

"There are three ways by which an individual can get wealth --
by work, by gift, and by theft. And, clearly, the reason why
the workers get so little is that the beggars and thieves get so much."

Henry George, Social Problems

"A disordered currency is one of the greatest political evils. It undermines
the virtues necessary for the support of the social system, and encourages
propensities destructive to its happiness. It wars against industry,
frugality, and economy, and it fosters the evil spirits of extravagance and
speculation. Of all the contrivances for cheating the laboring classes of
mankind, none has been more effectual than that which deludes them with paper
money."

Daniel Webster, 1846
