Dear Friend,

Thank you for your interest in Chalcedon. Enclosed are some samples of our publication. Also enclosed is a brochure on Chalcedon. It describes our name, our purpose, and our work. We are a non-profit, tax-exempt organization and view ourselves as supporting all Bible believing churches and organizations. Ours is a ministry of ideas and encouragement to those who, like us, seek to present a Biblical, Christ-centered world and life view to counter the destructive forces of humanism.

Your name, as yet, has not been added to our mailing list to receive our monthly mailings. If you would like to receive the Chalcedon Report or would like further information on our tapes or publications, please indicate on the order form attached to the brochure and return it to us.

For the King,

The Chalcedon Staff

Chalcedon is a tax-exempt public foundation, and gifts to Chalcedon are tax-deductible. We believe that God's word must be obeyed. God *requires* tithing and an avoidance of long-term debt. We therefore do not believe in deficit financing, have never contracted debt, and do not believe in long-term debt. *Your giving establishes the limits of our work, humanly speaking.* These are our principles, and we abide by them. However great our need, our principles must outweigh our needs. Our needs are ours; our standard is the word of God, and there is no question in our minds which must govern. *The way of obedience is the way of blessing,* and we expect, by the grace of God, to be blessed.
