'HANG' - 'CRUCIFY' - 'BEHEAD'

THE SAME AMERICAN CIVIL LIBERTIES UNION THAT HAS RAISED AND SPENT UNLIMITED SUMS OF MONEY AND IS LEADING THE CAMPAIGN TO IMPEACH THE PRESIDENT IS NOW COMING TO THE DEFENSE OF THE REVOLUTIONARY KIDNAPPERS AND KILLERS THAT HAVE TERRORIZED AMERICA FOR FOUR MONTHS AND WERE LIQUIDATED BY A VERY COMPETENT POLICE FORCE IN LOS ANGELES ON FRIDAY NIGHT, MAY 17.

August 1, 1974

Dear Friend:

Not since the days of the guillotine slaughters and the conspiracies to liquidate Abraham Lincoln and the ruthless plots to destroy Jefferson and Washington -- not since these historic and bloody days has a complex of hate been mobilized to destroy a man equal to what is being mobilized against our President today as he is being made the victim of perjury, attempted blackmail, threatened assassination, legalistic corruption, network treason, revolutionary plots and power-mad demagogues.

No one reading this letter should be foolish enough to think that I am blind to the mistakes that have been made through the years by Mr. Nixon, just as mistakes have been made by every public figure, regardless of how favorable a place in history they may have taken.

For the record and for your files and as a collector's item, I am going to devote this letter to a summary of the virtues of our President and the vices of his enemies. Please be reminded that in light of those who are pitted against him, he is not being crucified and 'burned at the stake' because of his vices. These abuses are being heaped upon him because of his virtues.

VIRTUES OF THE PRESIDENT SUMMARIZED

1. Intelligent, courageous and calm. The enemy hoped they could destroy him by making him a nervous wreck, but whenever he makes his appearance, his countenance is open, his voice is firm and he strikes the spirit of emotional stability.
