

go to Cory in the Philippines who was physically and sexually abused by her uncle.

They can also go to children who do not have sponsors, but who are under our care, they may go to a boy or girl of one of the hundreds of thousands of families that were devastated by the recent earthquakes in Greece and Turkey.

Your gift does make a difference. The Bundle of Love is accompanied by a clear presentation of the gospel. **How effective is that? In just two months in our centers in the Philippines, more than 150 children and parents came to the Lord as a result of the care we provide in our day care centers.**

These children in the Philippines are getting their Bundles of Love. The contents of each package vary according to the location.

This Thanksgiving time there is much you can do. You may be able to sponsor a child in need who does not have a regular sponsor for \$20 a month, or provide the gift of a Bundle of Love.

Each Bundle of Love costs \$20 and for that amount you can make the love of Christ felt by a child. For \$200, you can put a smile on the faces of ten children and for \$500 you can provide 25 children with items they greatly need.

The Bible says that “**it is better to give than to receive,**” and you can understand why when you look at the faces of the children who receive the Bundles of Love. As you provide desperately needed items, your joy can be greater than that of the little ones and their poor families.

As we work together, we can make the love of Christ known and felt by those in greatest need. May we ask you to prayerfully consider what God would have you do to help? **You are the tool in His hands.**

The children are so excited about their Bundles of Love. For many, these will be their only new clothes or shoes for the entire year.

Gratefully yours in Christ,

Spiros Zodhiates
President

P. S. We want to thank you for your generous response for our on-going relief effort in Turkey and Greece.

As attention has been focused on helping the victims of the recent disasters in these countries, contributions for worldwide ministries have decreased. Please continue to pray for Turkey and Greece and worldwide ministries.
