

PETITION FOR REDRESS OF GRIEVANCES TO THE CONGRESS OF THE UNITED STATES ASSEMBLED

The People of this Nation ordained and established this Government to secure our liberties and to protect our lives and our property. In no way, did the Delegates give to you any portion of our Sovereignty. We bound you with the chains of our constitution, these chains now lay broken. Our form of Government has been altered without our knowledge or consent in violation of your oath and in contempt of our laws by you and your predecessors. A permissive Judiciary has twisted the Constitution beyond recognition.

We, the People, of this Nation demand an answer to our grievances:

BILL OF PARTICULARS TO THE U. S. CONGRESS

COUNT I

We gave you the power to lay and collect taxes for the payment of debts and to provide for the common defense of this Nation within limitations defined. You have broken your bond and sent forth swarms of tax collectors to harass us and eat out our substance. You have allowed them to subvert the laws, levy fines and put us in prison to enforce laws that neither you or we understand or can comply . . . all without due process of law.

COUNT II

We gave you the power to coin Money - to this end you have allowed the plundering of our silver and gold from our treasury and our people and substituted imitation coins and dishonored notes to hide from us the theft.

COUNT III

You have unlawfully delegated legislative powers entrusted to you, and placed these powers in the hands of the Executive branch of Government and it's administrative bureaucracy.

COUNT IV

You have not paid our debts with the taxes that were collected from us.

COUNT V

You have squandered our taxes and increased our debts to aid foreign dictators that build fortunes for themselves and enslave their people.

COUNT VI

You have reduced this Nation's defenses to a position so inferior that the weakest dictators show no fear and attack our embassies.

COUNT VII

You have drawn from our treasury to influence your reelection.

COUNT VIII

You have used our tax moneys to pay abortionists to kill our unborn.

COUNT IX

You have passed legislation which is construed to be justification to tap our telephones, confiscate our mail, drill open our safety deposit boxes, seize our bank records and steal our funds. All without the due process of law.

COUNT X

You have refused to impeach those in the Judiciary who serve from day to day on "good behavior", when they obviously conspire with the Executive to destroy the Constitutional Government they are sworn to support.

COUNT XI

You have given away the Panama Canal in spite of our many objections.

COUNT XII

You have robbed me of my savings and lowered my standard of living by planned inflation effected by intentional deficit spending.

COUNT XIII

You have drafted us to be killed or maimed in wars you did not declare or choose to win.

COUNT XIV

You have conspired with the President of the United States to overthrow the lawful, Constitutional Government by abolishing the States which created you and to substitute regional government so as to reduce this great Nation to a state in a one-world government via the Atlantic Union Resolution.

The colonists never suffered such abuses as these! We have endured these evils and have with patient suffering sought their correction. We wish to remind this Congress that you are not above the law and the only law we recognize is the Constitution which each of you have sworn to uphold. We demand a stop to this tyranny.

We do charge the Congress to right these wrongs, to correct these inequities, to cease these injustices, and return to our People a lawful Constitutional Government. It is solely to this cause that we have laid our hand and do submit our Petition for Redress of Grievances to this Congress of The United States Assembled.
