

New Washington "Holocaust Tourist Center" Ignores Real Mass Slaughters — Why Are Ukrainians Left Out?

Why Is This Real Holocaust Forgotten?

There is great doubt that any holocaust of Jews by Germans ever occurred as evidenced by the data on this page. Still the Reagan Administration has given Jewish Holocaust Memorial Council two important government buildings free of charge a half block from the National Mall for a \$100 million holocaust museum to show the "dark side of the German people." A portion of the museum will be opened early in 1986 and in full operation by 1988.

Millions of tourists will be ushered through the 80,000 square foot structure which will contain an auditorium, films and video presentations, lectures, horror slides showing in third dimension piles of dead bodies supposed to be Jews with tear-jerking "searing photographs and artifacts from the death camps which will move tourists to tears. All this in stereo sound! Vice President Bush spoke at the ground breaking ceremony stating before a crowd of over 400 Jew survivors, "We are here to remember what evil men can do unto one another." Sen. Howard Baker spoke of the "madness and horror of Hitler's time." Others attending this macabre event included the Capitol drunk, Rep. Tip O'Neil, newsman, Ted Koppel (Jew) and professional holocaust survivor author Elie Wiesel, chairman of the memorial council.

Holocaust Of Over 6 Million Ukrainians Suppressed

DOES THE "RED BEAST"...WITH FEMA/LEAA...PLAN A HOLOCAUST FOR MILLIONS OF AMERICANS???

Below from "Chicago American" Feb. 25, 1935 shocking true Holocaust news suppressed today!

SIX MILLION PERISH IN SOVIET FAMINE

Peasants' Crops. Seized, They and Their Animals Starve

Like harried fowl, two peasant women gather scraps of grain left in corners. They must do this to keep alive in a land of plenty—the Ukraine.

Russia's beautiful thoroughbred horses, leave the world over, are used now in the servilest of drudgery. The peasants, needed on every farm, are dying off by the million of starvation. The million died in a few years. Five and a half million are now in the work to starve. I estimate begging food to save their livestock were driven off by armed soldiers.

Reporter Risks Life to Get Photographs Showing Starvation

STARVATION stalks through the Ukraine section of Soviet Russia, leaving a ghastly trail of death and agony. The Ukraine is the most fertile grain-producing district in Russia.

The facts contained in the series of articles, of which this is the first, were obtained by Thomas Walker, an American newspaperman, now resident in London, at the peril of his life.

When Mr. Walker entered Russia last Spring he was met by a crowd of starving people.

While the photographs shown with these articles were obtained under the most perilous and dangerous possible circumstances, the pictures they present are more grim and graphic than words.

Hard-frozen and Treacherous and Starving in Russian At Last, Who Not Several Years Ago Touted the Union of Soviet Republics.

I HAVE recently heard that the Ukraine is a land of plenty. It is not. It is a land of death.

6 million Ukrainians die by "Chicago American" reporter, Thomas Walker WAS THERE!

The Ukrainian Holocaust Proven
On this page is the headline from the "Chicago American" of Feb. 25, 1935 which cries out, "SIX MILLION PERISH IN SOVIET FAMINE." The eventual figure documented by the Ukrainian Encyclopedia and Rep. Hamilton Fish on Aug. 29, 1933 in government report H.R. 399 that seven million Ukrainians actually perished in Stalin's planned famine. The Ukraine has for many years been known as "the breadbasket of Europe," exporting food throughout the world.

Dominated by the Moscow communist regime the once proud nation of the Ukraine was ordered by Stalin in 1929 to collectivize all farms under the communist system. The independent-minded Ukrainian farmers put up massive resistance and refused to work on collective farms and fought to keep their own private land. They would kill off their cattle, and other farm animals rather than turn them over to the Soviets. They burned grain reserves to prevent their seizure by Soviet agents.

Then in 1931 Stalin found an opportunity to destroy the Ukrainian resistance. This year began a long drought and a poor harvest. Thus Stalin flooded the Ukraine with the Red army, police and Communist Party agents who compelled the farmers to hand over specified amounts of grain. They arrested or shot all who resisted. Everything that was edible was hauled out of the Ukraine by the Soviets. People began to starve and those who sought food in any fashion was deported to death in Siberia or executed. When winter approached in Dec. 1932 people were dying by the tens-of-thousands every week.

At the very same time there was no food shortage in the rest of Russia and the abundance of grain in storage was admitted by the Soviets. The Reds even denied the planned famine was killing the Ukrainian people! When Krushchev admitted the crimes of Stalin before a stunned Red Congress in Moscow in Feb. 1956 he said, "Stalin wanted to deport all Ukrainians, but there was no place to which to deport them..." Thus Stalin designed the plan to starve them to death in the most callous slaughter of a nation of people since the beginning of time.

Chicago American-reporter Thomas Walker stunned the world with the March 1935 report of his visit to the Ukraine and the shocking photos he smuggled out. He found villages extinct from starvation, every dog and cat eaten. People were eating book leather and tree bark for food. People asked to die and leave their misery. Some committed suicide to escape the pain of starvation while the Soviet secret police shot anyone who tried to steal even a grain of food. To this day no TV show has broadcast the story of the holocaust of the Ukrainian people. There are no movies or books available on the subject. The Jews do not wish for this real holocaust to be raised because only they are supposed to have the sympathy of the world. Ukrainian people in Canada and America have held public demonstrations seeking to bring the slaughter of seven million of their people before the attention of the public but to no avail. The news media blacks out the Ukrainian tragedy! It is only Jews who have ever suffered such persecution — according to what the controlled news media would have us believe. The time has come for us to let all Americans know about the real holocaust of the Ukrainian people and expose the hoax of the Jewish claims. The day will come when the nation will learn the truth but it is up to us to spark interest in other real holocausts.
