P.S. The political pundits in Washington, D.C. believe we will fail to win enough votes to override President Clinton's veto of the ban on partial-birth abortion. The liberals hope they are right. But with God's grace, you and I can go even further in our work to ban abortion in the second and third trimester. If you can send FRC a contribution of \$500, \$250, \$100, \$50, or even \$25 today it would be a big help.
