

(And if you will send a gift of \$25 or more to help me today, I will send you the exclusive cassette tapes of the ACTV meeting in Washington, including the meeting of the 242 evangelical leaders with President Reagan at the White House.) Ever since we started our effective (but expensive) television ministry, August has been an albatross around my neck. Too many people seem to forget us this time of year, and it has traditionally taken several months to overcome the financial dip we suffer in August.

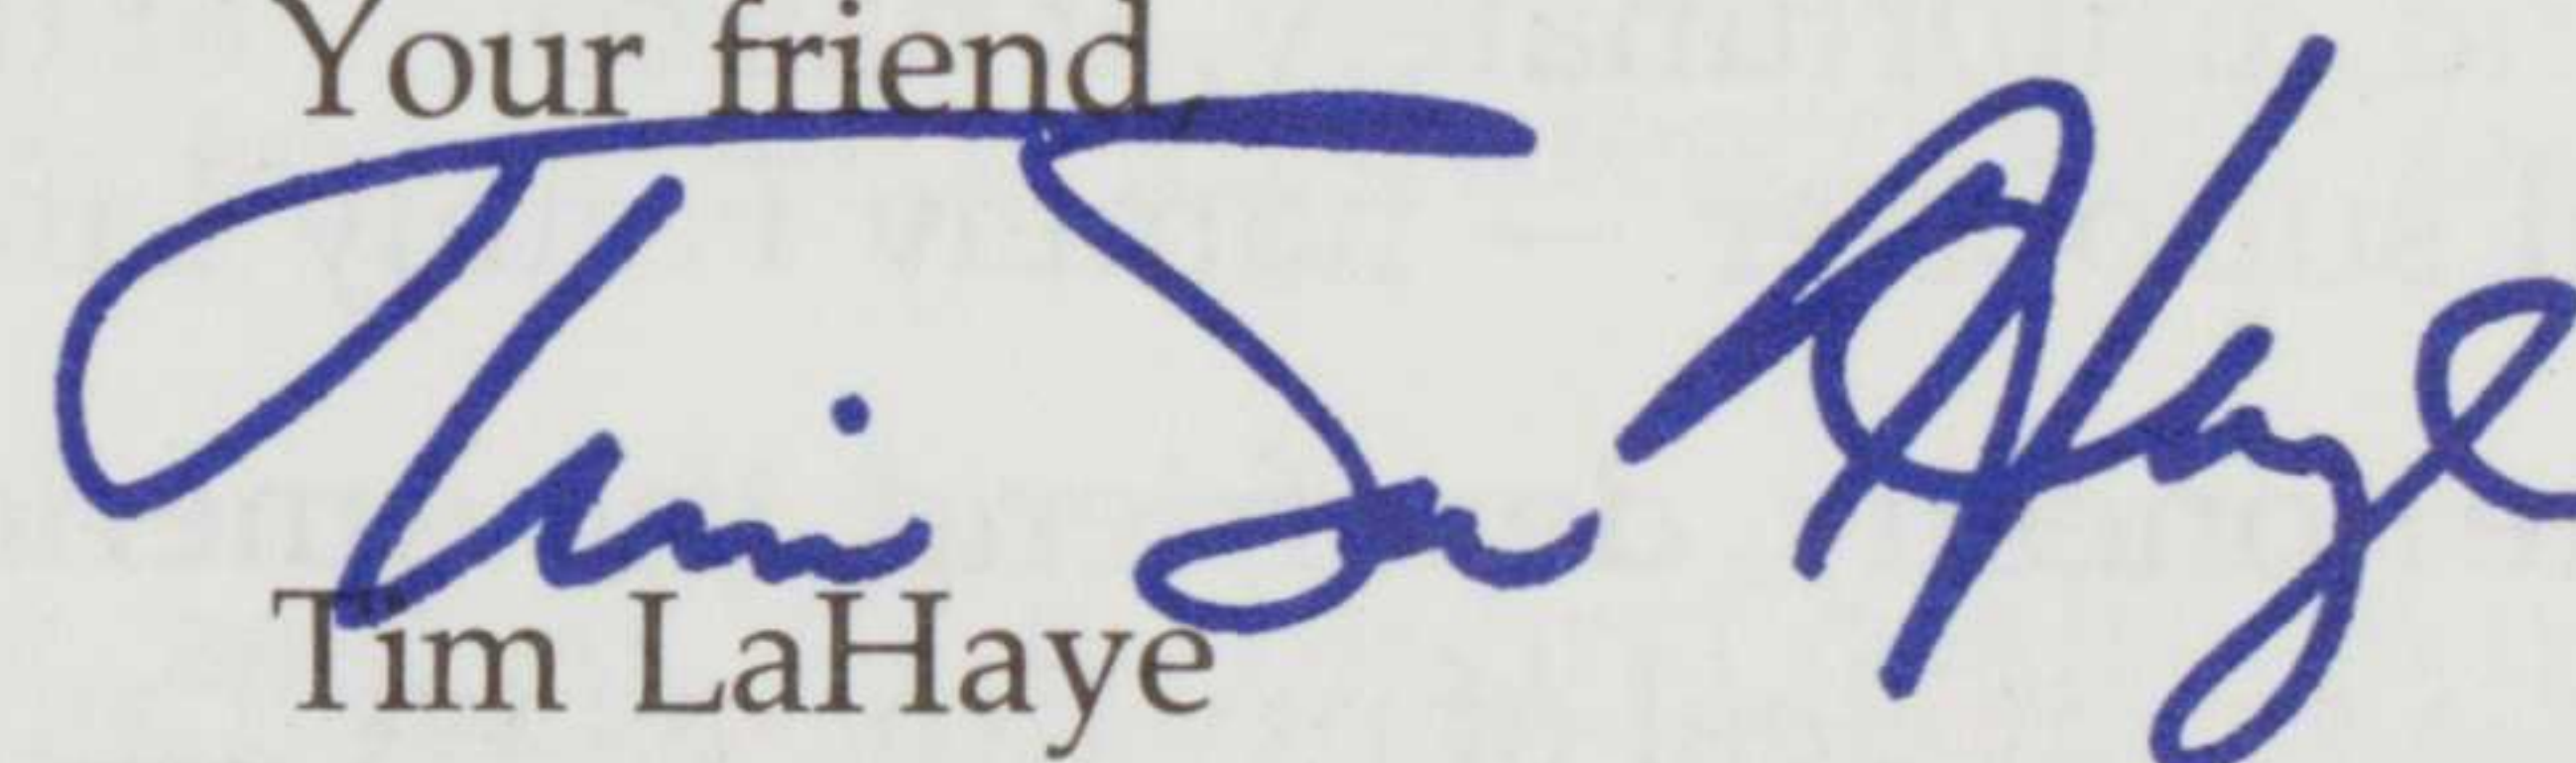

So would you help us right now to turn it into a positive by giving not only your regular monthly support, but the largest additional contribution that you can afford?

You will have the heartfelt satisfaction in knowing that your gift will help take some of the strain off me as I work toward restoring the traditional values to our beloved America, while faithfully fulfilling my duties to FLS as well.

If we allow the liberal, secular-humanist elements to totally take over our nation (as they are bent on doing), then one nation under God, as we have known it, may disappear from the earth altogether.

Please pray for me, that my strength will endure — for ACTV, that the coalition will continue to be effective — and for our beloved America, that God would lead God-fearing people to vote men and women into office who stand up for our traditional values.

P.S. As I said, to enable you to share the magnitude of the recent meeting of the 242 evangelical leaders with President Reagan at the White House, I want to send you all of our sessions on two dynamic cassette tapes.

For a gift of \$25 or more this month to the work of Family Life Seminars, I will send you these historic tapes. These are exclusive tapes you will want to share with your loved ones, friends, and neighbors. Or better yet, they may get a set for themselves by sending a gift of \$25.
