

Dear Mr. Murphy:

Just a note to let you know that I'm joining the American Family Association in fighting the filth on television, especially ABC's soft-core, violent pornography in NYPD BLUE. I'm holding advertisers accountable when they pay to sponsor such programs. I'm letting advertisers know that I'm voting my convictions with my pocketbook. I'm part of an organization of over one million supporters and we are growing.

I'm fed up with the filth on TV and I'm fighting back.
