

THY KINGDOM COME

"But seek ye first the kingdom of God, and his righteousness..."
JESUS

Our 1862 Webster Dictionary calls the Kingdom of God a Theocracy....

"Government of a state by the immediate direction of God; or the state thus governed. Of this species the Israelites furnish an illustrious example."

Still---People, preachers don't get it; or else misinterpret it. The liberal-modernists pervert it! Some so-called Christians just ignore it!

"The Theocracy is a government of the state by the immediate direction of God. Jehovah condescended to rule over Israel in the same direct manner in which an earthly king reigns over his people ... with wisdom worthy of Himself, He assumed not merely a religious, but a political superiority, over the descendants of Abraham. He constituted Himself, in the strictest sense of the phrase, King of Israel and the government of Israel became, in consequence, strictly and literally, a Theocracy".

So-called Christian hymns like---"I'LL FLY AWAY" Are completely misleading to the sheeple. Christ is coming back to earth! The Kingdom of God will be manifest on earth! It's in The Book!

Our Bible is employed entirely in promoting the interests of the Kingdom of God, its main office is to unfold, reveal that Kingdom; instructing God's Everlasting people...

Bible prophecy was designed by God to educate the nation of Israel to knowledge, understanding of that Kingdom which alone could be a blessing. To opening the eyes of the people to the holy government of God in history and to the aims of Divine providence. ---That Israel might learn to prepare for coming judgment for disobedience....

"Therefore thus will I do unto thee O Israel: and because I will do this unto thee, prepare to meet thy God O Israel." Amos 4:12

Our National motto is: "IN GOD WE TRUST." What GOD? Because of our Christian beginnings in America we say: JESUS CHRIST IS A NATIONAL QUESTION!

But---Sad to say, many so-called 'christians' do not believe so. How great are our backslidings, apostacy.

The Scriptures cannot be rightly comprehended without a due knowledge of this Kingdom...

It is the foundational thought of the Word of God.
