AMERICANS FOR CONSTITUTIONAL RIGHTS, ACR, is an  
organization dedicated to the ideals of freedom held  
by the Founding Fathers of our Nation. Members are  
committed to restoring the restraints placed on govern-  
ment by the Constitution. As Thomas Jefferson said  
when speaking of those in government, "Bind them down  
by the chains of the Constitution where they can do  
no mischief."

ACR holds monthly meetings at the VFW post in  
Norwood on the second Wednesday of every month. Any-  
one who is interested in learning more about the  
organization may attend one monthly meeting before  
joining.

Special meetings that are open to the public are  
held whenever guest speakers come into the area. The  
time and location are announced in our newsletter and  
in the media. There is usually a charge for non-mem-  
bers at these events.

It is important to learn what the Constitution  
states and how it was intended to protect the sover-  
eign citizen from an usurping despotic government.  
Toward this end ACR has established study groups  
which meet on a weekly basis.

Americans for Constitutional Rights is committed  
to preserving the principles stated in the Constitu-  
tion and the Declaration of Independence. We invite  
you to join with us in this endeavor to restore our  
Nation... "that this Nation, under God shall have a  
new birth of freedom, and that government of the  
people, by the people and for the people shall not  
perish from the earth." (Gettysburg Address)
