

legislators can serve in the State House to twelve.

In Colorado, the people voted to limit both their state and their federal officials terms. This year term limits are on the ballot in over 15 states.

I am very pleased and excited about the progress we have made in such a short period of time.

But we could lose this momentum without your support, and the support of hundreds of thousands of citizens across America. So please,

- 1) Fill out your 1992 ELECTION BALLOT and CONGRESSIONAL REFORM SURVEY.
- 2) Sign the enclosed AUTHORIZATION FORM, giving us permission to put your name on a copy of the enclosed petition to your Congressman, urging him or her to support our Six Point Plan to clean up Congress.
- 3) Rush these important documents back to us immediately in the pre-addressed envelope we have provided; and
- 4) If you can possibly afford to, please include a contribution of \$10, \$15, \$25 or even \$50 to help cover our costs and to help ensure the success of this campaign.

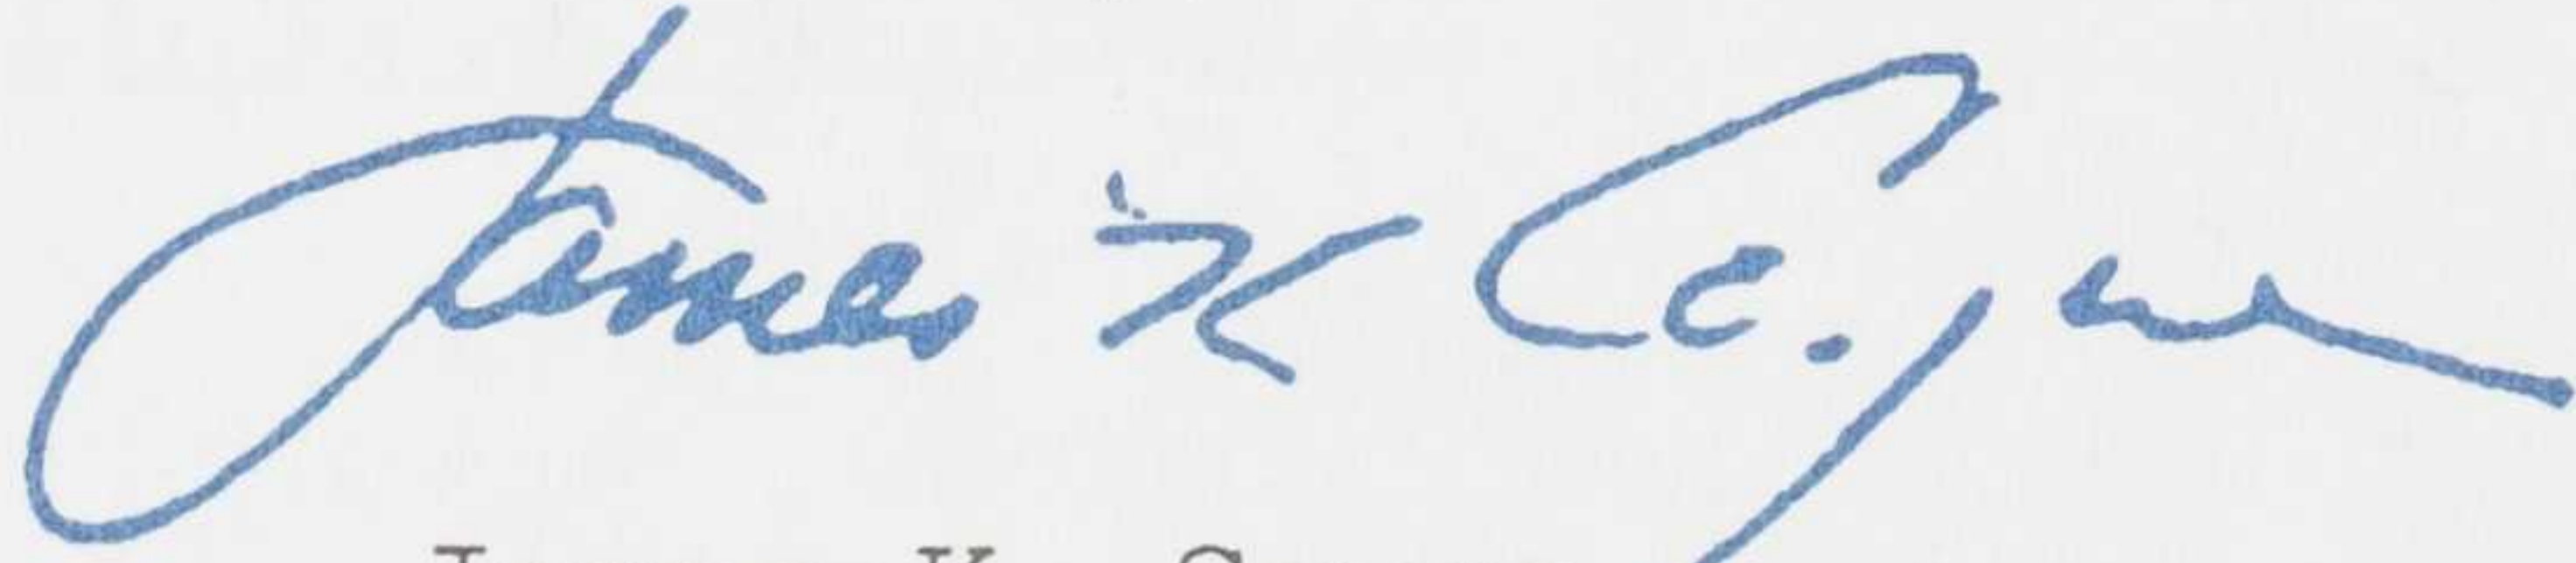

Your contribution will help us contact millions of voters in all 50 states and all 435 congressional districts about the importance of limiting terms. And your support will help us -

- * Abolish their free mailing privilege.
- * Eliminate all their special perks and privileges.
- * Make them obey the same laws we must obey.
- * Outlaw Congress from accepting bribes from Big Corporations and Big Labor Unions.
- * Require public "roll-call" votes on all congressional pay raises.

Whatever you can afford to send will be very helpful. And there is much more in our "BATTLE PLAN" I want to write to you about in the coming weeks.

The 1992 campaigns are now in full swing. So please don't delay in getting back to us. We want to announce the results of our survey in the next few weeks and rush your petition to your Congressman. I hope to hear from you in the next few days.

Sincerely,

James K. Coyne
Former Member of Congress
Chairman

P.S. Please send us your survey and Petition AUTHORIZATION FORM right away. We will use this survey and your petition to show Congress and every politician in America how strongly people feel about limiting terms, and how angry Americans are with politicians who spend tax dollars to treat themselves like royalty.

And please be as generous as you can to help make this crucial campaign a success. Thank you for your support!
