

Contributions are urgently needed for postage, past due bills, and to help in our campaign to rid the nation of the Communist double agent "Bor" Kissinger and his crowd, who are trying to overthrow our Constitutional Republic. By helping to publicize the Admiral McMillian kidnapping and exposing the culprits behind this foul act, we can start turning the tables on the Kissingers, Rockefellers, Kennedy's and the rest of the political rodents who are gnawing away at the heart of our nation.

Tears come to my eyes when I think that were I too cowardly to carry on in the struggle against Communism I would, in effect, by my silence be aiding and abetting the enemy that seeks to crush our nation -- that one day our children and grandchildren would have to live under an un-Godly communistic dictatorship. Sometimes, as I kneel and pray to my Lord and Saviour Jesus Christ for guidance and courage, I truly believe that He gives me the spirit to rededicate myself and the will to carry on.

Fill out the attached coupon and rush it to the nearest mail box, enclosing it with a gift that equals your good conscience. The way to groom the conscience is to pray and then do what you are led to do. That is good enough for me. If every person who receives this letter does that well, we shall continue to carry on as we have been carrying on. With the help of God and your assistance in publicizing the McMillian scandal, we can send Herr Kissinger back to his Fatherland!

Sincerely yours
for Christ and America,

E. William Gaedtke,
Advisor

P.S. I am enclosing an addressed envelope. Please note the change of address. Our postage bills have skyrocketed and I know patriotic organizations that have ceased operations because they were unable or unwilling to pay the postage. I am going to spend the money on postage to get the word to you if I have to sell or mortgage everything I own. I would rather die in poverty than desert our Cause.
