CCRC Offers

Introductory Workshops for Adults

- * Philosophy of program
- * Sample activities in each of the four CCRC themes: cooperation, communication, affirmation and conflict resolution.

One-Day Workshops for Adults

- * Philosophy of program
- * Presentation of the four themes of CCRC or a concentration on one of them if requested
- * Exercises that participants can use immediately in their work with children.

Two-Day or Weekend Workshops

- * Similar to One-Day, but broader and more in-depth

Extended Classes for Parents, Teachers, Families, Children

- * Philosophy of program
- * An in-depth development of the four themes of CCRC
- * Content focused on the specific needs of the class

Extended Classroom / Children's Group Workshops with Children and Teacher / Staff

Many adults working with children have found that they have learned most when CCRC facilitators go into the classroom/group setting and work with their children. Here the adult becomes a planner, participant, and facilitator with CCRC staff in her or his own situation.

Trainings for Trainers

- * Philosophy of program
- * Intensive exploration of the four themes of CCRC
- * Workshop facilitation skills
- * Certification

ANY WORKSHOP can be adapted in content and length to fit a group's particular needs.
