

Issue Packets

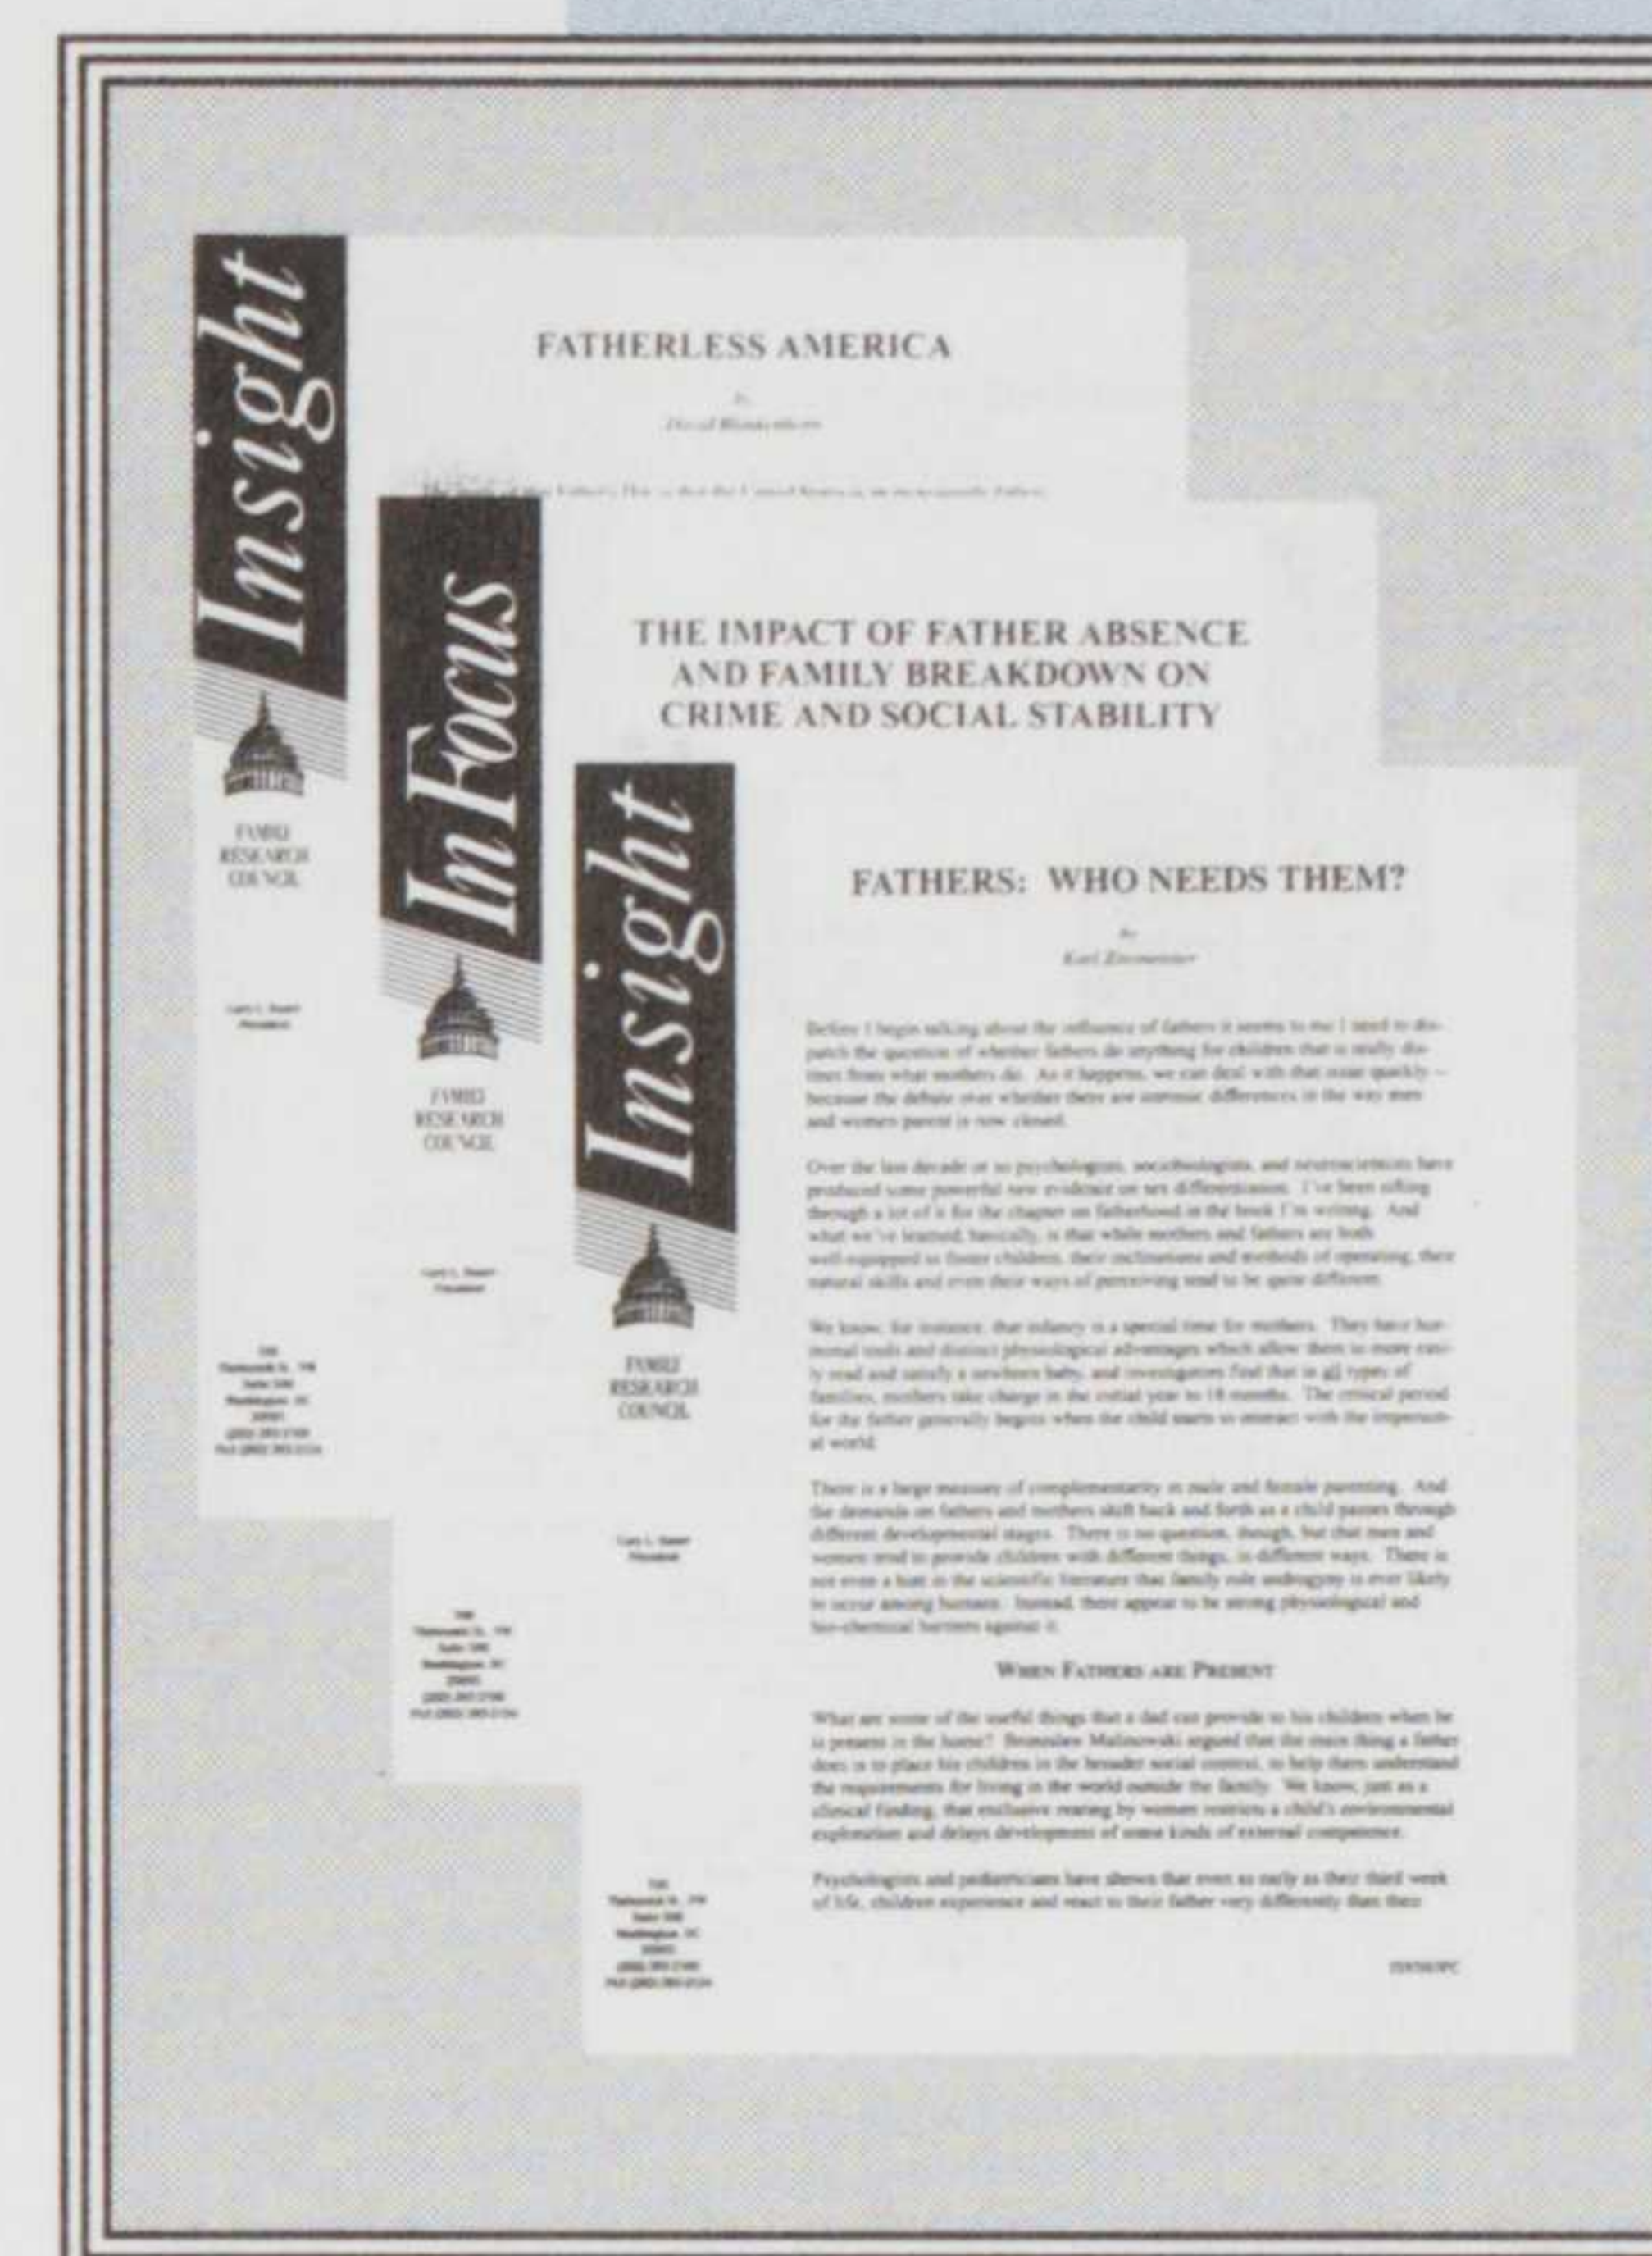

Note: Each packet contains 10-15 documents. The contents of each packet are updated as new policy papers become available.

FAMILY STABILITY

Suggested Donation: \$7.50

This issue packet contains papers, fact sheets, and articles that address the impact of divorce, illegitimacy, and father absence on children. Authors featured include Gary L. Bauer, David Blankenhorn, William R. Mattox, Jr., and Karl Zinsmeister. (item code PK007)

HEALTH CARE

Suggested Donation: \$7.50

This packet includes information on a variety of issues in the national health reform debate. These papers discuss the implications of various health reform proposals for such issues as choice of family doctor, compulsory funding of abortion, rationing of health care, and cost of premiums. Authors featured include Scott E. Daniels, Charles A. Donovan, Sr., and Gracie Hsu. (item code PK005)
