

A NEW REVELATION

A new revelation is disclosed to us in the Bible. Here is a system of law altogether beyond man's conception and entirely contrary to man's ways, the keyword to which is "take", whilst that for God's ways is "give". Love gives for others' sake.

UNSEARCHABLE WAYS

What possibilities lie ahead. Imagine a world in which the motive force is giving instead of taking. A world whose heart is light, whose cares are free, whose praise is ever Godward; the world of the new heart.

Love will be the crowning virtue in Christ's coming Kingdom on earth. The Law will be in the hearts of its citizens, the possessors of the virtues listed by Paul. Imagine such a nation, such a world, such an Age.

"O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are His judgments, and His ways past finding out!" (Romans 11: 33.)

"Have we, inheritors of this continent and of the ideals to which the fathers consecrated it,—have we maintained them, realizing them, as each generation must, anew? Are we, in the consciousness that the life of man is pledged to higher levels here than elsewhere, striving still to bear aloft the standards of liberty and hope, or, disillusioned and defeated, are we feeling the disgrace of having had a free field in which to do new things and of not having done them? The answer must be, I am sure, that we have been in a fair way of failure,—tragic failure. And we stand in danger of utter failure. . . ."
