FALL 1979 ALMP NEWSLETTER

CORRECTIONS--PLEASE NOTE

Several unfortunate omissions occurred during the layout of our Fall 1979 Newsletter. In order to avoid confusion when reading the Newsletter, please note the following corrections:

1. The articles on page 1 of the Newsletter concerning the prosecution of Lenny Lapon by Haverford State Hospital are both continued on page 4.
2. The "Letter to the Wimmin's Community" on page 9 of the Newsletter was written by Keta Rose.

ALMP RECEIVES EVICTION NOTICE

The Alliance has recently been ordered to vacate its office of three years by November 1. We are presently considering our options, which boil down to 1) fighting our eviction legally or 2) finding a new office in Center City with a much higher rental.

If we are forced to move to a new location, we will let you know by the time of our next newsletter. Meanwhile, please continue to address all correspondence to our 16th St. office.

Also, if you know of any inexpensive (\$150 or so) office space in Center City which is wheelchair-accessible, please let us know.
