

Mises, continued

A CRITIQUE OF INTERVENTIONISM (cloth)

The economic principles expounded by Professor Mises in these six essays during the 1920s have endured; there is no interventionist middle-ground between a market order and totalitarian socialism.

164 pages \$ 8.95

ECONOMIC FREEDOM AND INTERVENTIONISM

An anthology of essays and articles, selected and edited by Bettina Bien Greaves.

264 pages \$14.95

ECONOMIC POLICY: THOUGHTS FOR TODAY AND TOMORROW

A good introduction for businessmen, consumers, and students.

115 pages \$ 8.95

HUMAN ACTION

Mises' magnum opus: a broadly philosophical work which is indispensable for scholars and students.

907 pages \$49.95

LIBERALISM

A comprehensive exposition of classical liberalism—the philosophy of the free market economy and individual freedom.

228 pages \$12.95

NOTES AND RECOLLECTIONS (cloth)

The author reflects on his youth and career in turbulent Austria.

181 pages \$ 9.95

OMNIPOTENT GOVERNMENT: THE RISE OF THE TOTAL STATE AND TOTAL WAR

Mises brings his masterful powers to bear on the phenomenon of the total state.

291 pages \$13.95

ON THE MANIPULATION OF MONEY AND CREDIT (cloth)

Mises' early writings on the disastrous consequences of political intervention to stabilize monetary affairs.

350 pages \$19.95

Mises, continued

PLANNED CHAOS

An essay on the destruction of individual liberty by totalitarian ideologies.

90 pages \$ 3.95

PLANNING FOR FREEDOM

An excellent collection of short essays.

280 pages \$13.95

SOCIALISM

A great intellectual work on the true nature of socialism.

569 pages \$14.95

THEORY AND HISTORY (cloth)

This is a wide-ranging philosophical work on the great economic and historical issues of our age.

393 pages \$14.95

THEORY OF MONEY AND CREDIT

In this great treatise the author applies subjective Austrian theory to the field of money.

493 pages \$19.95

(See also Bettina Bien Greaves, Percy L. Greaves, and Murray N. Rothbard on Mises.)

Margit von Mises

MY YEARS WITH LUDWIG VON MISES

The widow of the great economist provides a glimpse of his private life.

230 pages \$12.95

Felix Morley

FREEDOM AND FEDERALISM

A history and analysis of how our federal system has been supplanted by a highly centralized administration in Washington and how federalism can reconcile freedom and order.

324 pages \$ 4.95
