

14 WORD PRESS . . .

publishes the political writings and religious teachings of David Lane, now incarcerated at the Federal Penitentiary in Florence, Colorado. He is arguably the best known, White political prisoner today. As a member of the Brüder Schweigen, David was convicted three times with perjured testimony in the federal courts for conspiracy to violate the civil rights of a White-hating, Jewish talk show host in Denver CO. His dedication to an absolute, unshakable resolution to stop the genocide of his race is evident in every writing David shares with us here.
