Memorandum

LIMITED OFFICIAL USE

POL 14

TO : William P. Kelly, Political Officer, Recife

DATE: August 1, 1966

FROM : Minister Edward J. Rowell 

SUBJECT: 1966 Electoral Reporting Schedule

Attached is an electoral schedule distributed at the recent meeting in Rio. I have not checked against earlier requests but I assume no major changes are incorporated.

I think we should have in mind particularly the Rio requirements such as the first report scheduled for October 8 with the following thought in mind. Although the report requirement is for the Embassy we should be alert to feed in immediately prior to the deadline date any local information which might be particularly useful.
