SISTER JEANNETTE NORMANDIN

Sister Jeannette Normandin, Sister of Saint Anne, AIM Community Advisory Board Member, and chaplain at MCI Framingham for the past 3 years, is leaving her position at MCI Framingham as this report is written. Sister Jeannette has provided inspiration, resources, volunteers and fundraising ideas to AIM since its inception. She has been a tireless volunteer and board member and has truly been dedicated to the women she serves at MCI Framingham. We know that she will remain involved in prison work from the "outside" now, but we wanted to take this opportunity to thank her for her dedication to the goals and purposes of Aid To Incarcerated Mothers.
