THE CASSETTE TAPES OF PASTOR GEORGE SOUTHWICK

Bible Studies in depth...Not Fable and Tradition...The 'good stuff' you have been searching for.

NOTICE NOTICE!

We have been given a considerable amount of copies for free distribution the book THE EPISTLE OF ROMANS by William Pascoe Goard. Now deceased.

This little book of less than 100 pages is a giant outline of Paul's great Epistle...First published in 1927; then, republished ten years later.

Now you can have a copy---Just write us and ask for your very own copy.

Dr. Goard was an Anglican [Episcopal] Minister in Great Britain. A very expressive writer, a great speaker. With a skillful hand he has traced the general outlines of Romans.

His explanation of Romans Chapters 9,10,11 is 'different' throwing a most wonderful light on these chapters which when understood goes to the heart of St. Paul's Theology..

We thank our listeners and readers of KINGDOM TREASURE for standing with us in their support of this Ministry...

We have now reached the plateau of Tape Number #500. It seems like a short while ago we started sending out Cassette Tape Bible Studies. Now almost 25 years have passed. Blessings to you and yours in the Kingdom Message...
