BLACK PROPHET

Views of a 'prophet'

William Lewis at his religious camp.

William Lewis' world

• "The Ku Klux Klan is the most together and the most righteous organization in the country . . . If I had to have help on this earth today, sir, through God, I would go to the Klansman . . ."

• "Everybody should be praising me for what I'm trying to do. Everybody, black and white and every other race and national(ity), should be saying, 'Keep it up, prophet. You're doing it right.'"

• Once guilt of a criminal is certain, "kill him, even if you have to occupy every tree in the United States. If it takes that to clean it up, get rid of 'em."

"We are just no good."

Black people, he said, "are our biggest enemy, and has been, has been, sir, for 6,000 years. It goes all the way back to the Garden of Eden. That's what I found. All the way back to the Garden of Eden."

"I also found that most of us was no good, and never was any good, and never will be any good. And that's the reason why God's got to come back here and wipe us off the face of the Earth, because we are just no good."

He said that when he was a child, he saw a white sheriff beat a black man until blood ran from his ears and saw a drunken black man shot and killed on the street for slashing at deputies with a knife.

But in the prism of time, Lewis sees both the beating and the shooting as necessary.

THE BEATING VICTIM had cursed the sheriff, and the drunk had refused three warnings to get off the street, Lewis said. The officers were acting within their rights.

"Those two things convinced me that we are the ones who creates our problems," Lewis said ("Yes, yes," said

his aides). " . . . Now I can see the reason why the law have to hit 'em upside the head. They are wrongdoers."

Lewis makes a distinction between Jews, who he insists are black, and the Jewish people, who are white.

"Everybody should be praising me for what I'm trying to do," Lewis said. "Everybody, black and white and every other race and national(ity), should be saying, 'Keep it up, prophet. You're doing it right.' And everybody should be doing it."

House of Judah. Lewis and his followers regard themselves as black Hebrew Israelite Jews.

"The Ku Klux Klan is the most together and the most righteous organization in the country," Lewis said in a five-hour interview prolonged by his aides' repeated scripture readings at his direction. " . . . If I had to have help on this Earth today, sir, through God, I would go to the Klansman. That would be the people I would go for, not the government, the Klan."

WHY DON'T THE
ZIONISTS APPOINT
THIS BLACK PROPHET
① THE HEAD OF THE
NAACP?
② REPLACE JESSE
JACKSON WITH

THIS BLACK

WHO SPEAKS
THE TRUTH?

③ JESSE
JACKSON
IS A BLACK
DEVIL LIAR.
THERE IS
NO BLACK
IN
GOD'S RAINBOW.
THE DEVIL
IS BLACK =
LACK OF
GOD'S LIGHT.

Lewis favors much sterner punishment than beatings and said he is puzzled at the uproar over the boy's death. He said he advocates hanging for prostitutes, murderers, rapists and armed robbers.

"If you're going to keep your country clean and clear, when they commit these horrible crimes that call for death, you got to kill 'em," Lewis said. "So I don't condemn the Klan for hanging unless they're wrong. Hanging. There's nothing wrong with the Klan burning 'em up."

Once guilt is certain, Lewis said, "kill him, even if you have to occupy every tree in the United States. If it takes that to clean it up, get rid of 'em."

Lewis told a reporter he would invite the news media to the hangings "in a nice, clean, beautiful place."

Lewis said he would have a meal at the hanging site, keeping reporters around "until I finished eating. I'd have me a nice dinner. And then that would be it, till one of the rest of 'em committed a crime. I'd go through the same thing. I guarantee you if they found your wallet out there with a million dollars in it, they'd return it to you."

From his aides came a subdued "Amen."

All the members except Lewis live in mobile homes, striped blue and white, which Lewis said are the "colors God gave us." The prophet has a modest house, but said he does not live in it exclusively. He said he sleeps in the homes of many of his members.

There is no evidence he is enriching himself as a prophet. The entire complex, containing about 25 mobile homes, a gymnasium, a guardhouse, a chapel and Lewis' house, is for sale for \$98,000.

ONLY BLACK REV TO SPEAK GOD'S TRUTH!
