Winter Greetings!

I will welcome just as wide an assortment as possible of descriptive literature issued by the American Council For Judaism. Since the work of the Council strikes me as being one of the news media's best kept secrets, one has little or no access to Council analysis. In all honesty, I felt that you no longer were functioning. I'm pleased to find that I'm wrong about this!

Should you be issuing a regular newsletter and/or bulletin I would especially appreciate a few trial issues to examine and would like word of the present subscription rate.

I will be looking forward to hearing from you at your very earliest convenience.

Sincerely,

George Beach
