"The secret of the LORD is with them that fear him; and he will shew them his covenant." Psalm 25:14

These three charts illustrate three main Covenants which our God made with the Israel people in progressive stages of their spiritual education so that they would be UNITED unto Him as His Servant Nation.

The idea of COVENANT is fundamental both to the O.T. and the N.T. We find that YAHWEH is a God who initiates Covenants. Indeed---"COVENANT making" is an attribute of YAHWEH (Jehovah) which is expressed in the Hebrew word... 'HESED' meaning 'Mercy.'

This is why the Prophets of Scripture sought to recall unfaithful Jacob - Israel to faithfulness unto the Covenant. For YAHWEH is a 'forgiving' God who will restore the Covenant relationship.

It was to initiate the NEW COVENANT of Jeremiah's prophecy to be made with BOTH Israel & Judah (Jer. 31:31-34); that our Lord Jesus came, as His word over the cup at the Last Supper shows.
