

Finally, there is help for the PORN ADDICT.

Overcoming the Addiction to Pornography provides direction and hope for the thousands of people who are addicted to pornography, for the wives of porn addicts, and for those who counsel people who are involved in inappropriate sexual behavior.

Author David Caton, Executive Director of the American Family Association of Florida, carefully outlines the steps he took to successfully overcome a seventeen year addiction to pornography in this 122 page book.

Don Wildmon, President of the American Family Association, and Dr. Edwin Cole recommend this book to those who need counsel.

Author David E. Caton was interviewed by Dr. James Dobson on the FOCUS ON THE FAMILY daily radio broadcast. This program was titled "Sexual Addiction: The War Within" and aired July 9 - 11.
