Protect Your Constitutional Right of Individual Choice

DO WE HAVE THE RIGHT TO FORCE MOTTLED TEETH UPON 10 TO 20
PER CENT OF OUR CHILDREN?

SHALL WE DEFEND OUR NATURAL RIGHTS TO KEEP OUR WATER PURE, to choose
WHAT SHALL BE DONE TO OUR BODY, and our right to choose WHOM WE SHALL BELIEVE?
SHALL WE OPEN OUR DOORS TO THE SALES PROMOTERS OF FLUORIDE, THEN FIND WE ARE
UNABLE TO SHUT THAT DOOR AGAINST OTHER COMMERCIAL DOPE DISGUISED AS A HEALTH
MEASURE?

Since only 1/4 of 1% of city water is used for drinking, shall we waste large sums to mix sodium fluoride into the
other 99-3/4%, used for putting out fires, sprinkling streets and lawns, washing cars and laundry and industrial
purposes.

Over 100 Cities and Towns have discontinued artificial fluoridation. Let us profit from their experience.
