**SOUTH AFRICA-NICARAGUA-BIG MOUNTAIN
SAME STRUGGLE-SAME FIGHT**

The struggle for liberation around the world is one. July 19 is the anniversary of the Nicaraguan Revolution! July 18 is the 68th birthday of Nelson Mandela, leader of the African National Congress of South Africa who has been imprisoned by the South African racist apartheid regime almost 25 years for the "crime" of fighting for the liberation of his people. And the Dineh (Navaho) and Hopi people have won a partial victory in delaying their forcible relocation from their lands.
