Tigress
PRODUCTIONS

IS PROUD TO PRESENT HER SECOND RELEASE...

"HAY-FEVER"

This is the first feature length explicit erotic movie made by and for women.

True to Tigress' form, this video is beautifully filmed with a sound-track of original music, specifically composed and scored to the action.

It's fun. It's lighthearted. The love-making is real and varied. Treat yourself, laugh a little and...

Come play with us!

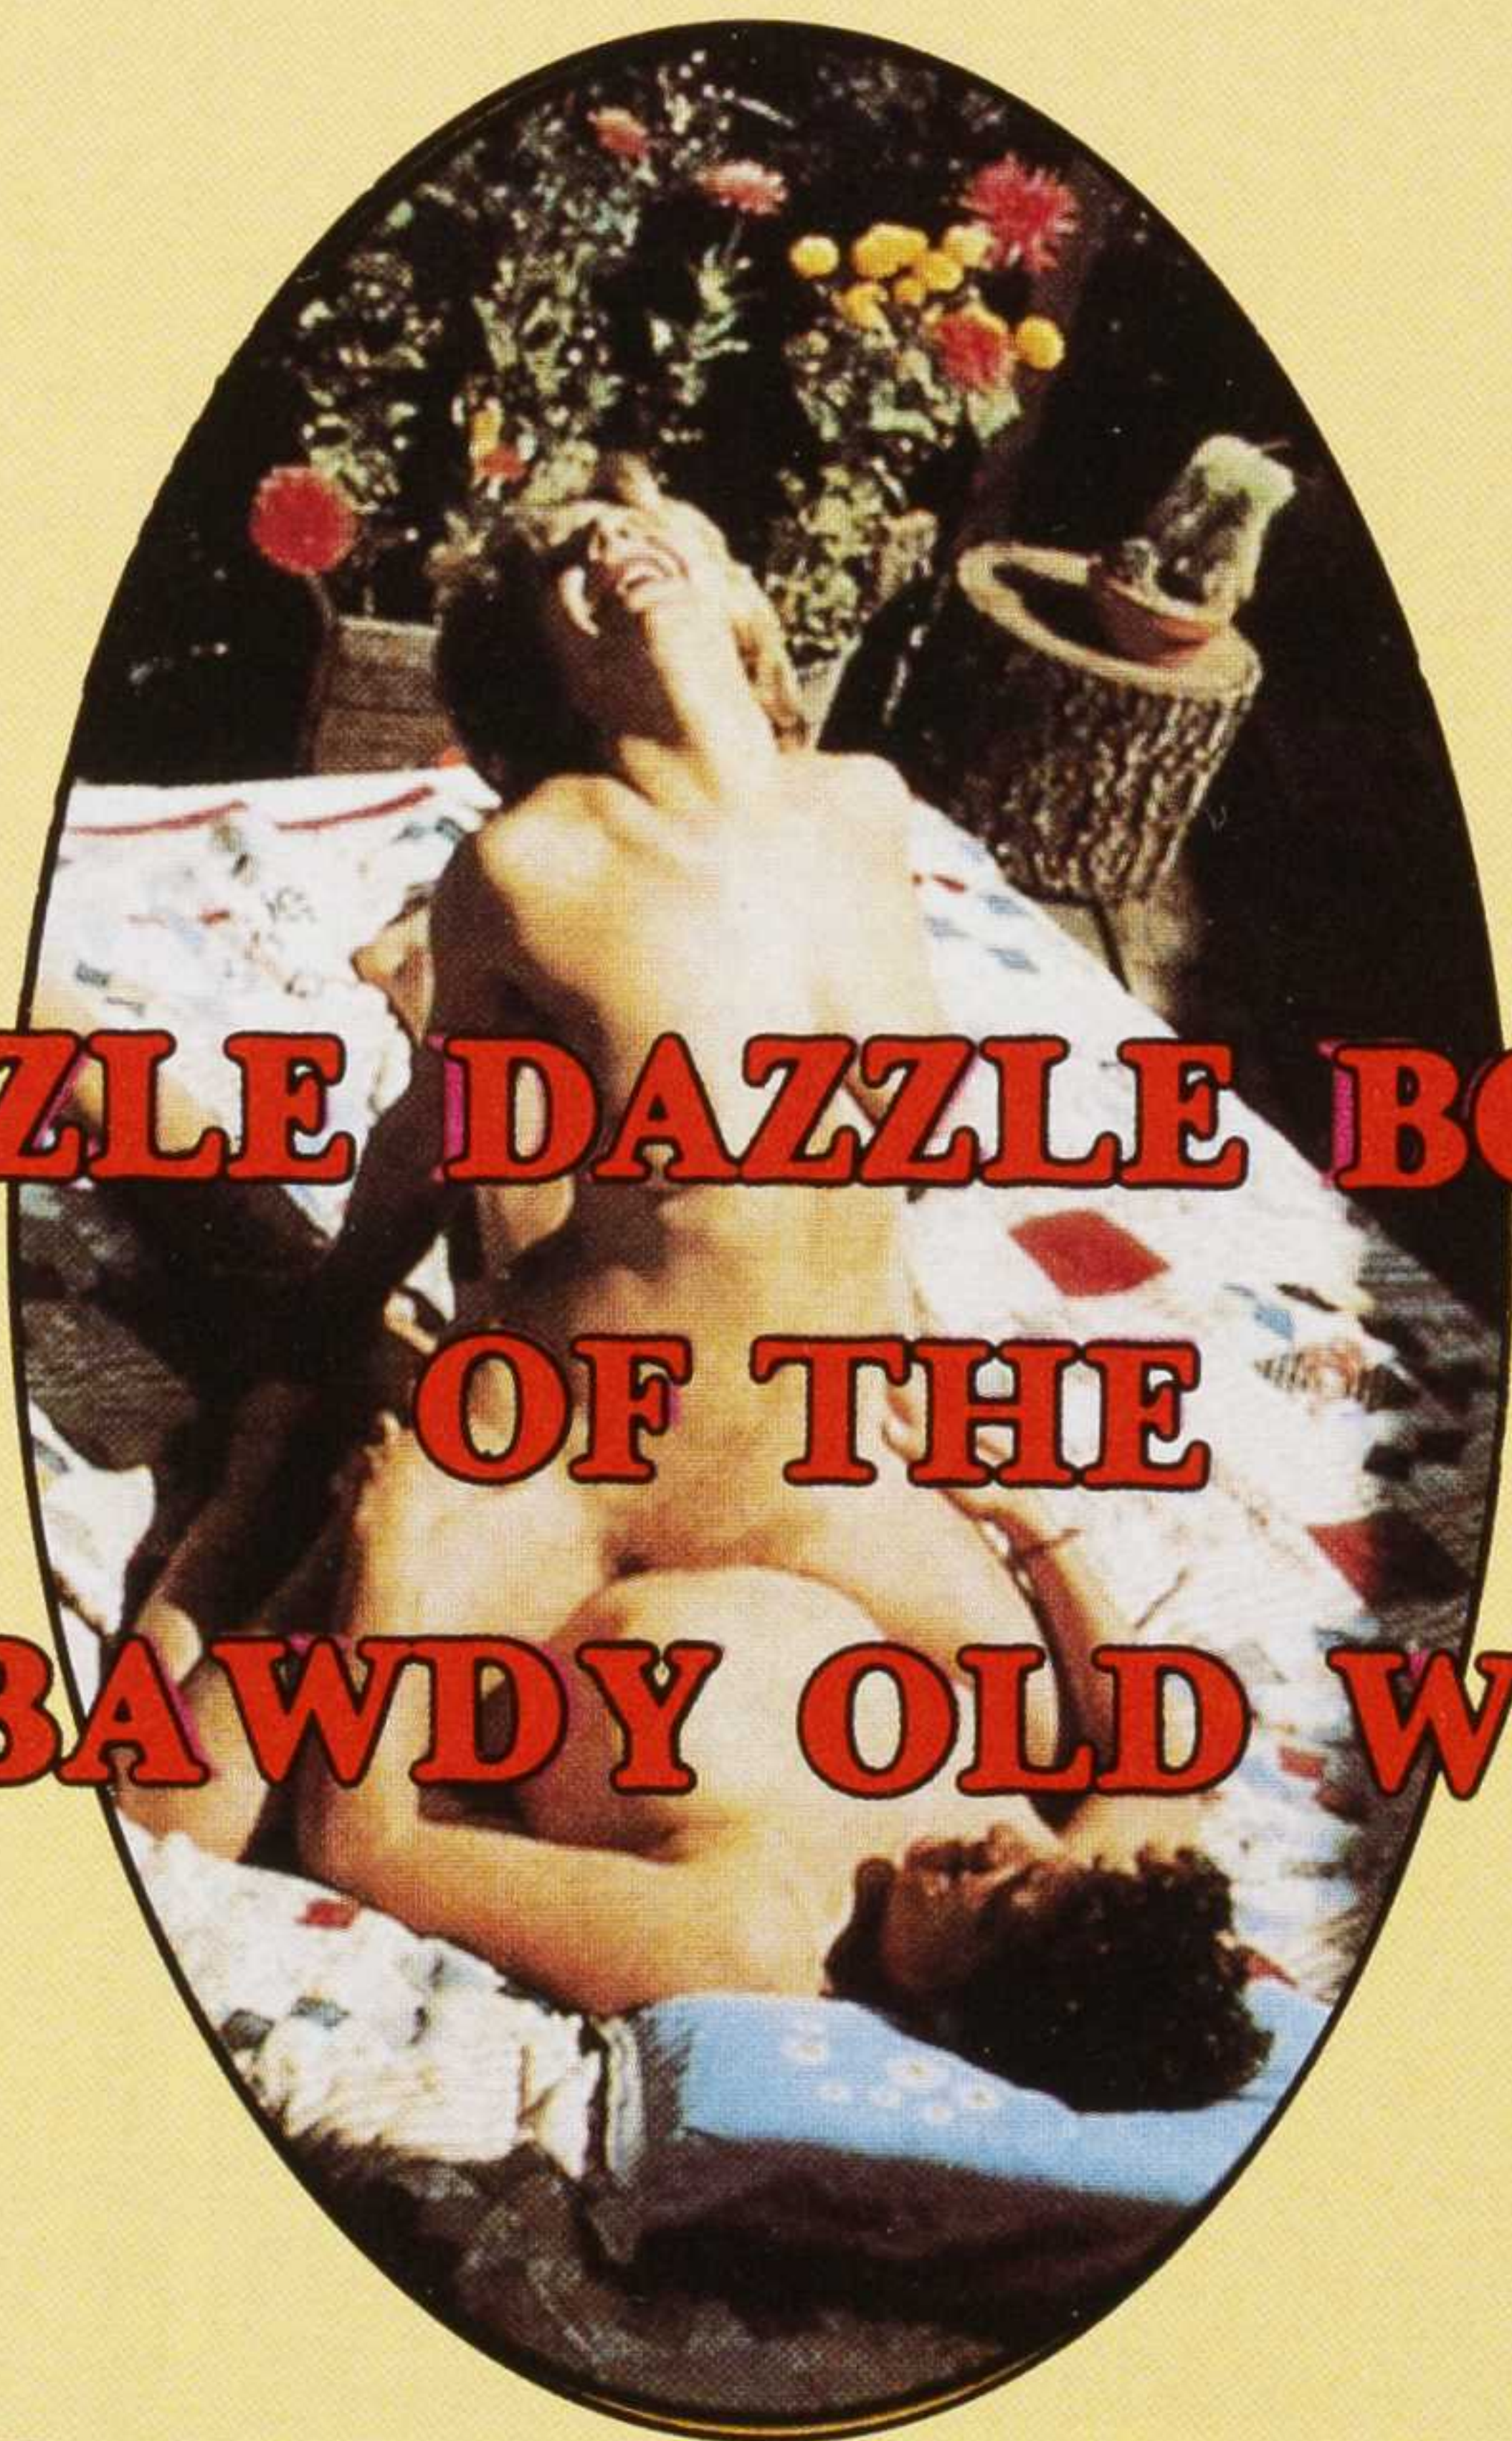

Find out what happens when 38 dykes all come together for Round-Up! Will Nina be able to escape the bonds of jealous Jasmin to surrender into the loving arms of Mary? Will wicked Guili succeed in keeping her unsuspecting sister Gert from getting to Round-Up in time to collect the inheritance?... What's Nancy doing up in

that tree anyway?

Get ready for the time of your life. Grab your partner, saddle up, and ride off into the rising sunset of "HAY-FEVER"
