WE AIM TO DO OUR OWN HOMEWORK...

- BY ATTAINING *a better understanding of free market, private property, limited government concepts and the moral tenets on which they are founded;*
- BY ACHIEVING *a greater clarity of exposition in both writing and speech;*
- BY ENCOURAGING *individuals who have an interest in these efforts to do likewise;*
- BY SERVING *as a clearing house and research agency for aspiring libertarians;*
- BY MAKING *our findings and studies available to anyone, anywhere, for the asking and by inviting all libertarians to stimulate the asking;*
- BY ADHERING *consistently and undeviatingly to those moral, social, and economic principles we believe to be right.*
