

A FOUR-YEAR BUMMER

P.O. Box 2325 Station A

April 15, 1970

Dear Reader,

Next month--with the May issue of AFB--we will mark our first year of publication. We are going to make it 12 pages and use color if at all possible. During the past year participation in the paper and the Free Speech coffee house meetings has vastly increased. When we began there were only a handful of us, but the average attendance for the films and discussions on Saturdays has been over 50-60 airmen and the use of our Military counselling service has been much appreciated. Our lending library has worked out well: many other GI papers and underground papers as well as books are in circulation on the base.

Due to the generosity of our friends we have been able to keep paying the printer but the cost of an expanding subscription list (stamps & envelopes) is starting to strain our resources. We would like to get the papers out to everyone and to keep our lists up to date. Please send back the coupon below so we will know that you wish to continue receiving the "Bummer". At the same time, if you can contribute a small amount (a dollar or two) it will help us in an important and very real way. If you have recently become a subscriber, or are still in the service, please just return the coupon.

Thanks for your support,

Michael Cornell
