Dr. Wildmon:

Yes, I want to help AFA. I am glad AFA is having success in reducing the amount of filth on television. I want to have a part in convincing Mazda to stop sponsoring the filth on "Saturday Night Live." Here's how I'll help:

- ☐ Mail my card to Pres. Yoshinori Taura of Mazda Motors of America. (It is better to address an envelope and enclose the card. If you can't do that, mail it without the envelope.)
- ☐ Mail my card and a copy of the script to my local Mazda dealer.
- ☐ Remember the AFA in my prayers.
- ☐ Renew my membership in the AFA and rejoin the battle on behalf of America's youth and children.

Here is my tax-deductible gift for:

☐ \$25 ☐ \$35 ☐ \$50 ☐ \$100
☐ \$250 ☐ \$500 ☐ \$1000 ☐ Other \$ _____

Thank you for your help. Together we are making a difference. I am glad you have decided to renew your support for the battle for our families and children. Please, when you write out your contribution amount, make your check payable to: American Family Association, or simply AFA. Thanks again for helping at this time. God bless you.
