

Animal
Rights
Mobilization

Dear Friend of Animals:

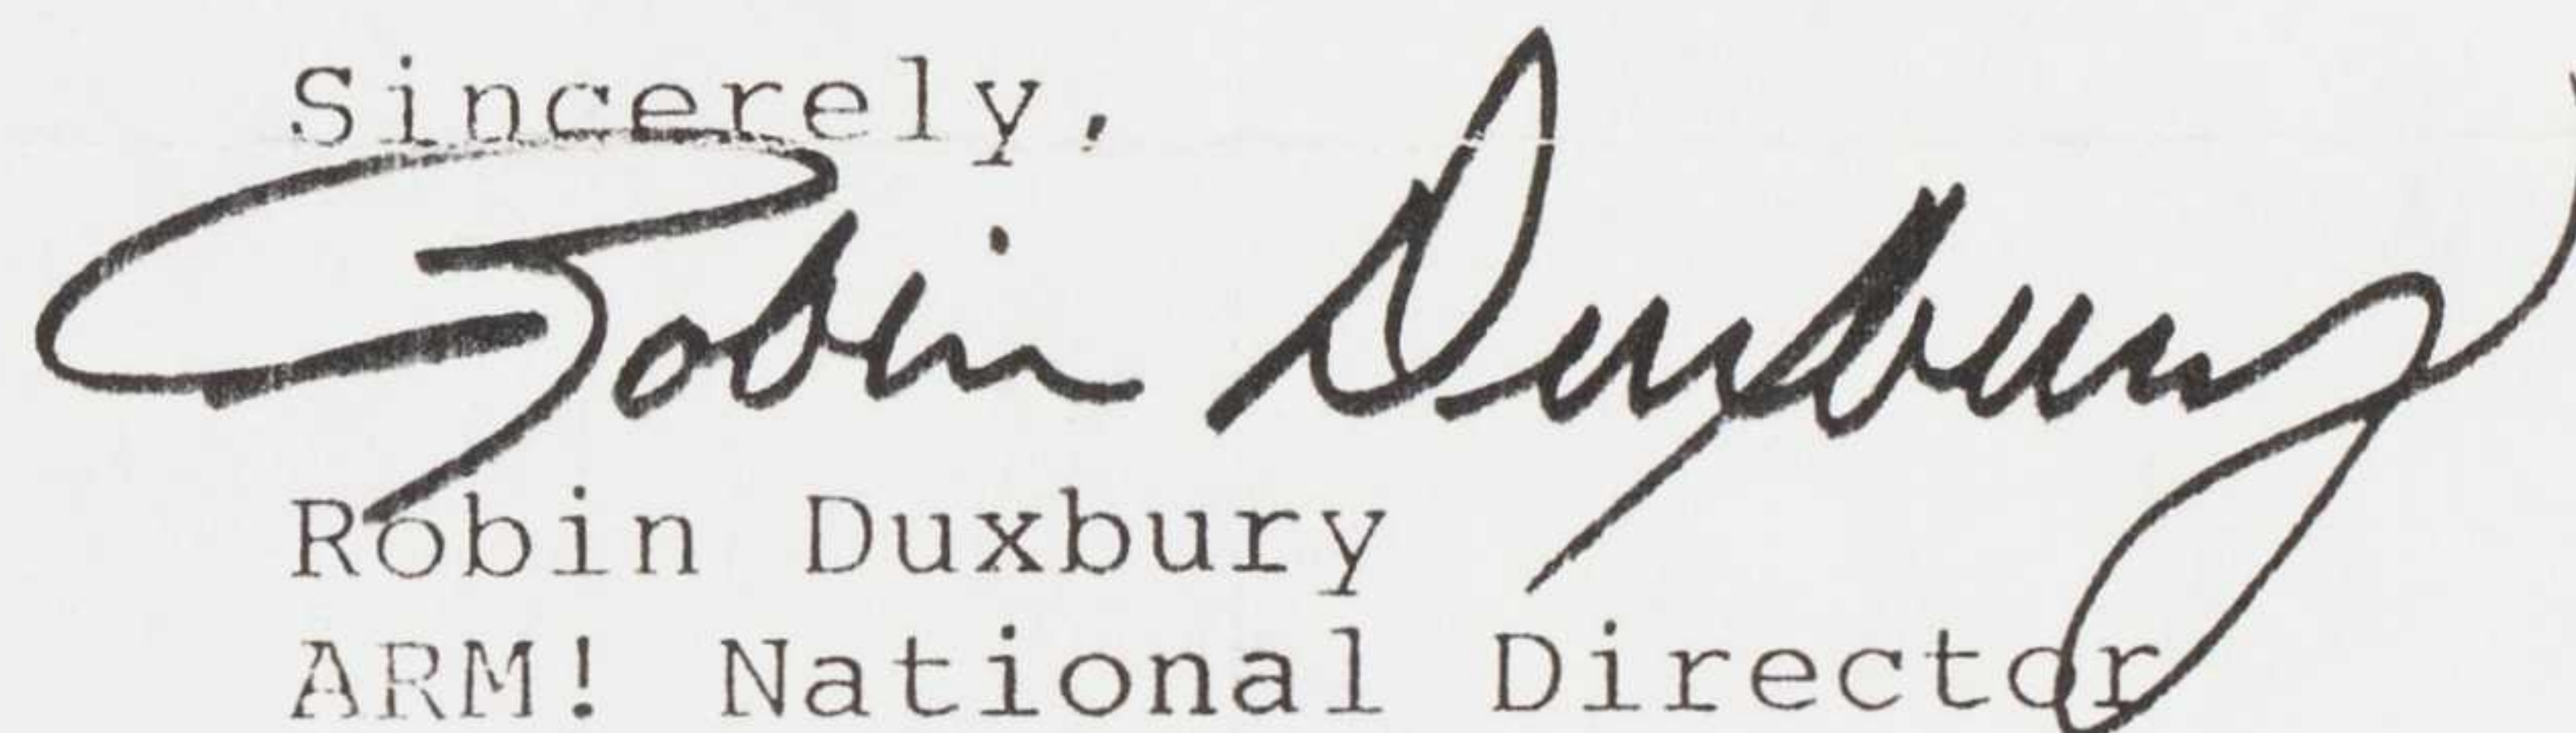

The information you requested by mail or by the **ARM! HOTLINE** is enclosed. We hope this helps you do your part in furthering the animals' cause.

Also enclosed is a membership/donation form and return envelope so that you have the opportunity to support our work.

The ARM! Information Center can only continue operating and providing vital materials to activists across the country if activists do their part by joining **Animal Rights Mobilization** and donating whatever they can afford to support these services.

Thanks for your help and dedication!

Sincerely,

Robin Duxbury
ARM! National Director
