

with the collusion of Harry Hopkins and Pres. F. D. Roosevelt gave the U. S. Money Plates and the secret process of making paper for the notes, over to the SOVIET EMBASSY IN WASHINGTON, D. C.

See the Senate Appropriations Hearings Investigating this robbery. We also know that all of Europe and Asia has been looted by JEWS. And we KNOW, TOO that these same Jews with Baruch's "Cold War" have waged an economic warfare against the great American people with the result that the Jews now have the monopoly on all our American markets and businesses, and that they have bought up every Main Street in America. This is a VIOLATION of U. S. Monopoly laws. WHY HAS THE DEPT. OF JUSTICE NOT STOPPED THIS JEW BUSINESS?

THE REMEDY

The first thing to do in case of war with Russia is to seize every Jewish store and arrest every Jew in the U.S.A. or shoot these enemies on the spot! Public Law 665, 83rd Cong., should be repealed as it brings in these enemies who are "Red" Jews.

For every intelligent American is well aware that Communism IS JUDAISM, and that 90 percent of the Communists in this country ARE JEWS! And practically every "RED" spy IS A JEW OR A JEWESS.

HANG THE TRAITORS!

Now let these Jews DARE to get us into war again! We have a great AMERICAN CIVILIAN ARMY READY WITH GUNS!- And under the RIGHTS RESERVED TO THE PEOPLE WE WILL PROTECT OUR HOMES, OUR LIVES, OUR REPUBLIC. Also if you Congressmen are so supine that you bend the knee to THE SATANIC JEWS, then just get out of those seats and let the women take over Congress! There is NO JEWS going to pull any wool over our eyes! And I am only one of a million pistol-packing mamas who are ready and able to DEFEND AMERICA FROM THE ENEMY!

I did not run for President since 1944 for nothing!

I have quite a following of real AMERICANS EVERYWHERE, TOO! And when you KNOW that there is something wrong in Congress, and you don't just sit back and take it if you are an AMERICAN! YOU DO SOMETHING ABOUT IT AND NOW, TOO!

This country is worth dying for, and most Americans will agree with me on that, we don't intend to let any enemies within or without put any "Iron Curtain" down on the good old U.S.A!

THE MASS MURDER OF AMERICAN MEN

500,000 fine Americans DIED, and more than one million suffered from wounds or are INSANE as a direct result of these TREASONOUS JEW WAR BILLS IN CONGRESS! Also for the first time in the history of our country WE WERE DEFEATED BY AN ENEMY IN KOREA! And we suffered 143,000 AMERICAN CASUALTIES under the damned JEW "UNITED NATIONS" that was put over on the U.S. Senate almost over my dead body in July, 1945, and the same damned "RED" Jews were the witnesses for The Charter of the U.N. This CHIEF WITNESS CLARK M. EICHELBERGER, the former pal of EARL BROWDER in an effort to "CREATE A U.S. FOREIGN POLICY FAVORABLE TO THE INTERESTS OF THE SOVIET UNION, and although for 18 years I have testified against these "REDS" THEY ARE STILL HERE FOR THESE BILLS!
