

JEWRY IS INDIGESTIBLE AND CONTAMINATED! Jewish Exponent, June 15:
"Hyman Kaplan quoting the Congress (Zionist Congress) Weekly: "Soviet Jewry is being looked upon as an indigestible element in the Soviet organism, an alien body which is contaminated..."

Scratch into the history of nations, anywhere, at any time, since history began to be kept recorded, and you'll find the same thing -- the "Jew" is "indigestible" and "contaminated."

Livy says in the Fifth Book of his History of Rome that the ancient Jews were "driven" out of Egypt "because it was thought that they were disease-carriers". CONTAMINATED. The Romans, 350-378 A.D., passed strict laws against the Jews' custom of visiting their cemeteries by night and conducted closed-circle ceremonies about the graves of their recent dead -- on the supposition that "ripe juices" were being siphoned from the fermented organs of such corpses, the juices being used to cause brain hemorrhages and hear failures throughout the empire.

Right or wrong, Ammianus Marcelinnus says that after THEY no longer were permitted to conduct such nocturnal orgies, such human maladies decreased noticeably and eventually all but vanished.

But such maladies are in full ferment here in America. What are we doing about it?

LITTLE JEW COLUMNIST, Milton Friedman, writing in California Jewish Voice for June 15, 1956, admits the truth of "Organized American Jewry." -- It was this same "Organized American Jewry" which caused us to clobber the finest White Christian anti-communist nation in Europe -- Germany -- in WW II -- to our own great loss and the tragic building up of both Soviet power and Zionist World Jewry. (Wouldn't you think we had learned something from that?)

It is this same "Organized American Jewry" which now clamors and demands -- and threatens! -- if the USA does not rescue from the result of their own brutal aggression against the Arabs in Palestine.

That's what Christians are for!! -- to rescue fanatical, selfish, anti-Christ Jewry whenever IT gets itself into trouble, just as it did in trying to take over Germany: and just as it is doing in trying to take over the USA.

MAURICE SAMUEL: "WE JEWS, we, the destroyers, will remain the destroyers for ever. Nothing that you will do will meet our needs and demands. We will for ever destroy because we need a world of our own, a God-world, which it is not in your nature to build." (YOU GENTILES, Ch. IX).

Please note that the coveted prize is the "world." "We are accused of being destroyers; whatever you put up, we tear down...In everything we are destroyers -- even in the instruments of destruction to which we turn for relief." (Same ch.)
