"Promotion and Application of Water Fluoridation"

Original record of these U. S. Government Minutes available at the Main Library, Department of Health Education, and Welfare, 300 Constitution Ave., Washington, D. C. The Library call number of H. E. W. is RK 21.C55, 1951. It was learned in May, 1968 that these minutes are available to Congressmen on a loan basis from the library. They were reproduced in June 1968, 17 years after the meeting took place.

The minutes of this 1951 meeting of the U. S. Public Health Service was discovered in 1953. Dr. John W. Knutson, Chief, Division of Dental Public Health Service and Dr. John T. Fulton, Dental Services Advisor, U. S. Children's Bureau, were Co-Chairmen, presiding, under direction of Dr. Leonard Scheele, Surgeon General of and representing the Public Health Service. Dr. Scheele was also president of the World Health Organization which attempted international fluoridation through the United Nations. Dr. Knutson, upon retirement, became associated with the University of California at Los Angeles (U.C.L.A.) Dr. Leonard Scheele, upon retirement became associated with the Division of Lambert Pharmaceuticals.
