Dear Leslie,

Thank you for the letter. I have enclosed copies of the latest petition and copies of a couple of recent letters and resolutions that we have recently received.

An Iowa team of young people have just concluded a very successful week visiting campuses in Cedar Falls and Grinnell to build support for Mark Curtis. We expect another team will be going to the University of Iowa in Iowa City this week.

Supporters of the Mark Curtis defense effort include all kinds of people who are committed to justice. There are supporters throughout the U.S. and in other countries who are working to free Mark. If you would like to contact the closest support group in your area for more information, more involvement, speakers, Etc., call 617/247-6772 in Boston. The address there is: Supporters of Mark Curtis, 605 Massachusetts Ave., Boston, MA 02118.

Please let us know if we can be of further assistance.

In Solidarity,

Sandra Nelson
