

TO PROPERLY IDENTIFY THE PEOPLE OF OUR BIBLE...MAKES ANCIENT AND MODERN HISTORY COME ALIVE!

The Bible throws such light on the history of the world, that the reader is startled to find his or her Bible the most modern book in the world!

The present national and international problems confronting our beloved United States of America are insoluble without the Divine Revelation given in the pages of sacred prophecy!

What is called 'profane history' does reveal the movement of Israel into Modern Europe and their settling....

Always heading Westward like Abraham of old; moving from the land of their deportation by Assyria, they broke away and moving in their respective clan-families via Scythia and up the Danube into Europe to their designated Appointed place in "*the isles of the West.*" And then "*allured into the wilderness.*" The Israel peoples received Christianity, which is the signet of their restoration.

They experienced a world-wide expansion to the North, West and South all promised in the Book; the PROMISES to the fathers which were all outlined in Prophecy...

In modern history the mantle of God has fallen upon a people who are Good-Neighbor to the world...[Although horribly taken advantage of; with plots and conspiracies ad-infinitum seeking to overthrow that which God has established!]

How we fail to believe "*all that the prophets have spoken!*"

The disciples of Christ being familiar with the Old Testament completely failed to recognize Him in His coming. Luke records that on the Road to Emmaus Jesus blamed two of His followers for their ignorance and then proceeded to "expound" the Scriptures. Telling them how every detail of prophecy concerning Himself had been fulfilled.

Our difficulties are no less severe...such as the mastering of a prophetic language absolutely foreign to the sacred Book! How confusing it is!

Sir Isaac Newton rightly urged that the first thing to the study of prophecy was to learn its language...

For instance:

Sun, moon & stars may represent Governing powers.  
 Waters.....may represent peoples.  
 Winds, storms, overwhelming floods may well be invasions.  
 Beasts.....may represent Empires  
 Horns, etc.....may represent Kings, leaders or, dynasties.

If we be not ancient Israel redivivus---Where is the great mass of people who meant so much to the Lord Jesus Christ? THIS IS THE QUESTION.
