

Do you know a good lawyer?

We receive requests for legal assistance from animal activists, animal rights organizations and humane societies around the country. Many times the project or case requires the assistance of a local attorney. We hate to turn people away because we do not know any lawyers in their area who can help.

Do you know a lawyer who is interested in providing low-cost or free legal assistance to protect animals?

If you do, please ask that attorney to write ALDF for membership information, or send us his or her name and address and we will promptly forward information about ALDF.

Our goal is to have at least one lawyer in every city in the United States working to protect animals.

ANIMAL LEGAL DEFENSE FUND

The *Animal Legal Defense Fund (ALDF)* is a nationwide network of over 750 attorneys dedicated to protecting and promoting animal rights. Whenever and wherever animals require legal defense against abuse and exploitation, the Animal Legal Defense Fund is there. Over the past 10 years, we've won precedent-setting victories for animals on every front – in research laboratories, on farms and in the wild.

The *Animal Legal Defense Fund* is a non-profit organization funded almost entirely by individual, tax-deductible contributions. If you would like more information about our work, are interested in joining or wish to notify us about your change of address, please contact: The Animal Legal Defense Fund, 1363 Lincoln Avenue, San Rafael, California 94901 (415) 459-0885. The *Animals' Advocate* newsletter is published quarterly. A subscription is available for \$15 per year.
