Sven Rydenfelt

*A PATTERN FOR FAILURE

Brief descriptions of what is happening in 15 different socialist countries reveal a frightening failure. This is powerful evidence in the continuing struggle between capitalism and socialism.

175 pages

Cloth **8210CX** **\$22.95**

Hans F. Sennholz

AGE OF INFLATION

This is an enlightening and sobering analysis of the history and theory of inflation in the twentieth century. From the perspective of the subjective theory of value, the book offers recommendations for restoring a sound monetary system.

224 pages

Paperback **8310CF** **\$8.95**

Cloth **8310PF** **\$6.95**

DEATH & TAXES

Professor Sennholz provides a well thought-out manual for those who want light rather than emotional verbiage on individual and social effects of taxes on estates.

109 pages

Paperback **8315PF** **\$5.95**

Sennholz continued

INFLATION, OR GOLD STANDARD?

Much of the debate about money assumes that there are all sorts of monetary possibilities. Professor Sennholz maintains that the live choice is between inflation or gold.

Paperback 64 pages

Adam Smith

*THE THEORY OF MORAL SENTIMENTS

In this book Smith deals with the moral and ethical nature of man. It is an important work and a fine companion to *The Wealth of Nations*.

548 pages

Paperback **8605PX** **\$5.50**

THE WEALTH OF NATIONS

It was Smith's great achievement to perceive an order within which each man's efforts benefited all. This is the classic work on free market economics. One volume, complete text, books I through V.

1,092 pages

Paperback **8610PX** **\$12.50**

Herbert Spencer

THE MAN VERSUS THE STATE

A classic statement of the case for individual liberty, this book defines the limits of government and shows the steps by which all State collectivist movements such as socialism, communism, the New Deal and the like must inevitably end in a slave state.

550 pages

Paperback **8910PX** **\$6.00**

William Graham Sumner

WHAT SOCIAL CLASSES OWE TO EACH OTHER

William Graham Sumner ponders exactly what obligations people owe to each other in a free society. He answers forcefully for all time and peoples.
