

leads to the inescapable conclusion that those who got out this so-called "New Bible" are modernists and do not believe the Bible themselves, and that this is Satan's latest attempt to corrupt the pure Word of God. This should be resented by all true believers everywhere. We invite you to join us in a crusade to warn the unsuspecting against it. Write for as many copies of this tract as you can use. Please state the exact number of copies. Also request sample copies of other literature on the subject.
