

RAISE ALL HELL! see your police, firemen and neighbors!

What we need is a good old fashioned American revolution if these traitors cannot be gotten out legally, we can get them out by the rope! and those of us that don't have guns, have ropes in every little back-yard!

If this be treason, MAKE THE MOST OF IT!

Under the guise of promoting the welfare states and the world-wide New Deal under the Point Four Program and Foreign Aid and "Mutual Security" etc., the Roosevelt, Truman and Eisenhower Administrations to-day have OUT-PLANNED the socialists of 1932 and OUTMAN-IFESTED the Communists. RAISE ALL HELL! get these "RED" RATS OUT!

This bill is a part of a gigantic international conspiracy to get rid of our man-power! I have warned you for years about these plots, yet in spite of volumes of sworn testimony proving this treason in high places, you turn our armed forces over to the enemy in the United Nations which refuses to allow our generals to win the war in Korea.

The United Nations Security Council has been unlawfully given the absolute power over life and death, war or peace for our people! and that terrible power lies in the hands of the Soviet Generals who staff the Military Committee of the United Nations! and you KNOW IT!

WHY DON'T YOU REPEAL THIS MONSTER OF A FRANKINSTEIN OF A U.N.

After all the recent Senate and House investigations that have proven I am right, yet you still go on voting for these Communist measures that are destroying our Republic! I invite you to obtain a free copy of the latest step to set-up A SOVIET WORLD POLICE STATE HERE by asking the Senate Foreign Relations Committee to let you read the recently printed Hearings on the 3 secret N.A.T.O. Treaties signed in London in June, 1951 by Acheson, and reported to the Floor of the U. S. Senate for ratification. These Treaties were sent to the Senate by President Eisenhower supported by Messrs. Dulles and Walter Bedell Smith & Co. There is no change of foreign policy, only a change of faces, altho the American people almost staged a good old fashioned American revolution to get these traitors out and to stop these TREACHEROUS TREASONABLE BILLS AND TREATIES!

RAISE HELL! GET OUT THE ROPES!

The 3 secret treaties set-up a WORLD GOVERNMENT under N.A.T.O. and give super powers to this organization which is made immune from entry or search and inviolable against any investigations. It also is empowered by these Treaties to have its own currency, and is free of duties, and handles exports and imports in this country. No citizen can dare to say anything against it, and no recourse is provided for any injury done to Americans.

WE SHOULD ARREST AND HANG TRAITORS!

Our Immigration laws are suspended to admit unlimited and armed foreign troops from all the nations members of this pact, and it is conceded that Germany and Japan are to have the same right to send in their armed armies also as they
